How to Calculate Transferrable GPA

***You must include coursework from ALL Colleges/Universities you attended to get a true transferrable GPA

Transferrable courses are typically 100 & 200 level courses. There are exceptions. Also, courses that are transferrable to CSU, may not transfer to UC. Refer to ASSIST.ORG to determine transferability. For transfer credit to private universities, check with each individual university.

Units attempted that result in P/NP, CR/NC, W, IP, RD or I grades are not used to calculate the GPA.

88 / 36 = 2.44 GPA
