

# WHAT CAN STARFISH DO FOR YOU?

---

- Raise flags when needed (early alert notifications)
- Send automatic flags without doing anything!
- Motivate students by sending kudos
- Make referrals to other offices on campus
- Check on status of flags and referrals
- Receive notifications when flags have been cleared
- Learn more about your students
- Maintain open communication across campus
- Make office hours visible to students online
- Take attendance
- Make appointments
- Make notes
- Send messages
- Personalize your profile

# SCHEDULE YOUR DEMO OR TRAINING SESSION

---

Want a quick overview of one or more Starfish features?

Choose the method that works best for you: in-person training, phone conversation, video screen capture... the possibilities are endless.

What are you waiting for? Jump in and get your feet wet with Starfish!
