

Our goal is to provide an up-to-date Articulation Agreement. However, course content and descriptions constantly change; therefore, we cannot guarantee that this information is fully up-to-date. It is up to each applicant to prove that he or she has met MBKU's prerequisite requirements.

If you have any concerns about whether a course will meet the requirements, please have it reviewed by a MBKU admissions adviser. Questions regarding the acceptability of a prerequisite course can be directed to ODadmissions@ketchum.edu. Please paste into the email the following information: which prerequisite you want to fulfill, school where the course is offered, how many units (specify semester or quarter), and course description copied from the school's online catalog.

- A bachelor's degree is required for admission
- Students may apply with prerequisite coursework in progress; however, all prerequisite requirements must be completed before MBKU's fall term begins (mid-August)
- The courses below must be completed with a grade of "C-" or better

MBKU Requirement	Crafton Hills College Courses	Credit Requirements
Calculus (<i>AP credit accepted</i>)	MATH 250	3 semester units or 4 quarter units
General Biology/Zoology (no lab required)	BIOL 130, 131	2 semesters (minimum of 6 semester units) or 3 quarters (minimum of 9 quarter units)
General Microbiology/Bacteriology w/lab	MICRO 102 or 150	3 semester units or 4 quarter units
General Physics w/lab	PHYSIC 110, 111	2 semesters (minimum of 8 semester units) or 3 quarters (minimum of 12 quarter units)
General Chemistry w/lab	CHEM 150, 151	2 semesters (minimum of 8 semester units) or 3 quarters (minimum of 12 quarter units)
Organic Chemistry (no lab required)	CHEM 102	3 semester units or 4 quarter units
Psychology	PSYCH 100	3 semester units or 4 quarter units
English Composition or Literature (<i>AP credit accepted for 1 of the 2 required courses</i>)	ENG 101 & one additional course offered by ENG Dept.	6 semester units or 8 quarter units
