FOR IMMEDIATE RELEASE

### **Crafton Hills College Commencement May 25 at 6 pm** *List of Graduates, Degrees and Hometowns Included*

YUCAIPA: The 2012 Crafton Hills College (CHC) Commencement will be held in the Campus Quad on Friday, May 25, beginning at 6 p.m. The event should complete by 7:30 p.m. This community celebration is open to the public and parking is free on campus that evening. Almost 500 students are eligible to walk in Commencement this year, having earned almost 600 degrees and certificates in the fall 2011 and spring 2012 semesters and the limited summer 2012 session

Festivities begin with a Graduation Breakfast in the cafeteria served by faculty, staff and administrators on Friday morning immediately following the graduation rehearsal which begins at 8:30 a.m. The Commencement is the culmination of events that included the Scholars Convocation on May 18, the EOPS Graduation and Scholars Ceremony on May 11 and the Student Recognition Dinner on May 4.

Graduates and their families will hear from retiring Crafton Hills College President Gloria Macias Harrison, who has served since 2000, and who is the speaker for this year's event. Comments will also be provided by SBCCD Chancellor Bruce Baron and CHC Academic Senate President Scott Rippey. The student commencement speaker is Marcus Dashoff, a graduating student who will be transferring to CSU San Bernardino, and who was selected by a committee from the Student Life Office after auditions were held. The degrees will be presented by the SBCCD Board of Trustees President Carleton W. Lockwood, Jr. and members of the Board.

Commencement is a ceremony that recognizes certificate and degree earners alike. Students may be awarded an associate's degree or a certificate. On the graduate list, AA stands for Associate of Arts degree; AS for Associate of Science degree and CERT for a Certificate from the individual department. Students who are "graduating with honors" have a cumulative GPA of 3.50-3.99 at the end of the term in which they have applied for graduation. Those "graduating with highest honors" have a cumulative GPA of 4.0 at the end of the term in which they have applied for graduation.
