A great school with lots of resources to help students succeed
All of your teachers are amazing!
Amazing
amazing school and staff.
Amazing staff and support for students!
Amazing Staff, and Professor. Overall had a wonderful time.
As a student parent, it was tough, but Crafton made it possible, and the absolute best experience, THANK YOU!
Beautiful campus and amazing staff
Being part of Crafton Hills College made me feel safe and every staff, faculty, and counselor made me feel heard and helped me accomplish my goal to be the first in my family to attend and graduate college.
Better customer service
Classes and professors were awesome
Crafton allowed me to continue my education and on my own timeline. Counselors and the EOPS team assisted me through my journey and i am forever grateful.
Crafton is an awesome college that has opened so many doors for my life
Crafton is an awesome school with great staff and resources
Crafton is great academically, there are plenty of talented professors. I just hope that crafton can start more sports programs once the gymnasium is built.
Crafton is such a beautiful campus with amazing staff. The time I spent at crafton was great and I would do it again :)
Crafton was a great experience for me and helped me be able to attend college due to the financial aid. I have transferred to CSUSB. :) I have also been able to help family understand college better.
Ease of use in online programs
EOPS has been a driving force in my education, please continue to offer this program to future scholars.
Every staff member has always been so amazing. It made it hard to stop taking classes. I had all the encouragement someone could need.
Everyone has helped and supported me and I wouldn't be here if it wasn't for EOPS and all my professors
Everyone is so friendly and welcoming.
Everyone is very positive and willing to help their students
Everything was great
Good support system
Great and accepting school
Great campus even for casual walking nice and relaxing
Great campus, great teachers and staff
Great classes great students Lots of memories
Great environment and amazing counseling
Great environment, nice people
Great experience overall even though Covid made things a little more challenging
Great place to start back school
Great school ! Beautiful campus. Great professors.
GREAT SCHOOL!
Great time !!
Great time at crafton
Greatest experience. Great counselors and professors always pushing you to do your best
Had so many great experiences at the Tutoring Center and with Professors!
Hard work. Liked most professors
I had a great experience here and I would recommend this school to all of my peers.

I have enjoyed my time at Crafton over the years I attended. All the professors were excellent and the helpful nature of both faculty and staff are excellent
I just feel with the lack of Diversity It's easy To get discouraged. I honestly didn't feel staff was nice to me or welcoming.
I like the friendliness and safety of the school.
I love crafton
I love the nature here. I hope it can be preserved for a long time
I loved attending Crafton. The staff was incredibly helpful!
I loved going to Crafton! The professors and staff are amazing and are so helpful! The classes are always fun and interesting. The campus is beautiful!
I loved it here
I loved most of my professors, they really encouraged me.
I loved my experience. I would definitely return and not wait so long next time.
I really liked how crafton hills has night and day classes
I wish there were more water bottle fill up stations.
I would like to see more clubs
I'll be grateful for all the kind faces I met
I've always felt supported at Crafton. I will be back to pay it forward!
I'm thankful for the staff at Crafton more than anything. My professors have always been so helpful and so kind!
It became more enjoyable when in person classes/ events became available :)
It was a fun ride, made great friends
It was an amazing experience all of the teachers were so receptive and flexible. I wish there were more class time options and professors to choose from. It was really great though, especially because of the free books the library gives away. Don't change a thing !
It was an overall exciting experience throughout the past 3 years. There was immense help and I never felt like I was alone. Would definitely
It was great, thank very much to all the people and programs that helped along the way. Thank you
It was great. Loved the staff and professors were all there when I needed help.
It was ok kinda lame tho
It was really good, I think it's perfect for working around other schedules ppl have and also it's very affordable. I loved going here.
It would be helpful if school organizations were advertised more, I found out about my favorite ones in the last year of my Crafton journey.
It's cool
Keep providing a helpful environment
Love Crafton
Love this college chill, straight forward, relaxed and didn't felt rushed what so ever
Love this school it's really help me on achieving my goals
Loved it
Loved it amazing
Loved my professors and the honors program with [name]! Shout out to my favorite professors: [names] Y'all made my Crafton experience beyond memorable
More training on ableism and how to avoid it
My experience at Crafton Hills College, has been overall a positive one. The only thing that could have made it more convenient, would be the addition of more programs such as more medical degree paths like Nursing like Valley Community College offer's
My experience was lovely
Nothing amazing professor and great environment
Online class have become so important and they were implemented well
Overall a very positive experience

Please bring back AGS
Promise program has saved me these past years and even without the cheap college was clutch
Staff is super friendly!
Teachers are very nice and understanding. The campus is beautiful!
Thank you to the EOPS team for helping students like myself getting through college
The biology department is really really lacking, other than that, my experience was great!
The EOPS was great to me and helped me along the way
The paramedic program was a "cool kids club" and ran poorly and unprofessionally.
The professors here are great and the community is very warming
The staff was really kind
The transfer center was great
This is such as amazing school with amazing professors that have taught me so much!
Tons of resources that are super accessible!
Took me a while but finally graduating. Love CHC
Very good place to network with others with great ideas.
Very much appreciated
Very nice staff and faculty.
Very supportive and lots of resources to help academically and outside of academics
Very welcoming environment
Wonderful professors and administrators!

Lastly, what advice would you give to a new student? (n=127)
Always stay updated with your counselors, and take advantage of all the resources the school offers. Plus the library is amazing.
Always take time to appreciate that you are at college. It goes so fast.
Always try your hardest to achieve your goal
Apply yourself to your classes
Ask questions. Visit your counselor(s) often. Have a plan.
Be kind
be organized
Check Rate my professor
Coming in, make sure you see a counselor and listen to their advice so you can reach your goals asap! Also take advantage of the many resources they offer
Counselors are your best friends. Don't be afraid to ask for help.
Do not let difficult classes get you down even if your struggling. Even though it seems far away, graduation is a short time away. The goal at hand is closer than you think. Don't give up!
Don't be afraid
Don't be afraid to ask everyone here at chc is really nice and really helpful
Don't be afraid to ask for help
Don't be afraid to ask for help from any faculty and staff. They will take care of you to the best of their ability
Don't be afraid to ask questions, be yourself.
Don't be afraid to dive in head first, things aren't as scary as they seem!
Don't be afraid to stick up for yourself respectfully.
Don't give up
Don't give up and communicate your needs

Don't give up when classes get hard
Don't give up!
Don't give up, even when it's hard it's worth it in the end
Don't give up. The hard work will be worth it.
Don't overwhelm yourself.
Don't procrastinate
Don't procrastinate and have fun
Don't stop showing up even if you fall behind
Don't be afraid to ask for help
Don't be afraid to ask questions or for help you'd be surprised all that you can get and achieve by just asking.
Don't be afraid to try any new classes and try any professor, they're all fantastic!
Don't forget to give yourself a break every once in a while!
Don't overload yourself
Don't stop, take even one class at a time if you need to
Dont stress!
Enjoy college any way you can
Enjoy it while it lasts
Enjoy it.
Enjoy the process
Even if you only take one class per semester, chip away at it, and just KEEP GOING.
Everything is at your pace, take your time. Build yourself in the best way you possibly could. Growth isn't linear.
Experiment!!
Find another program somewhere else
For students to get involved in everything
Get involved with school events and meet with counselors regularly.
GET INVOLVED!!!
Good luck, enjoy the ride and don't give up
Great environment with even better professors, will highly recommend
Hard work and preparation pays off.
Have fun
Have fun and study hard, you will make it.
Have fun!
I would tell them to continue attending and seek out guidance.
if you just do the work and communicate well you will be just fine and succeed
If your looking for a nice and welcoming community in Yucaipa, or for way to transfer to a 4-year institution, CHC is the way to go.
It's a great school
It's all worth it at the end
It's the best education you can get for the money.
It's the same thing you've been doing since kindergarden
Join Crafton Honors!
Just do it
Just do it! You can be in the same place years from today or be graduating with the next class of CHC
Just hang in there. The time will pass and soon enough you will graduate and get that pride from graduating!
Just keep going . You can do it !
Just keep going!!

Just keep going, especially when it's hard because the outcome is so rewarding!
Keep an open mind and jump on new experiences when you can. There is so much to learn!
Keep calm and explore, you have time, take classes and see what you like
Keep going and don't stop until you've accomplished your goal
Keep it up
Keep pushing yourself and give it your all
Keep trying even if you fail
Keep working
Keep your eyes on your end goal. That's how you stay strong and push through your semesters!
Kick butt and pay attention to the syllabus
Learn how to work canvas, learn the campus and names of buildings, try to learn your classmates names and actually interact with people.
Make friends
Make sure to time manage and do not overwhelm yourself
Never get discouraged!
Never give up
Never put off an intimidating assignment.
Never quit your education!
No matter how hard it may seem, keep pushing through it might not be easy but it is definitely worth it.
Overall more class times available for those on strange schedules
Participate and enjoy everything that Crafton has to offer!
