

**CHILD DEVELOPMENT (CD)**

**2015-2016**

Student Name: \_\_\_\_\_

ID #: \_\_\_\_\_

Date: \_\_\_\_\_

Counselor: \_\_\_\_\_

The Associate of Arts degree in Child Development is designed to prepare professionals to teach in an early learning environment such as preschool. This degree can also assist in preparation to teach in primary and intermediate grades.

A student receiving a degree in this field will be able to:

- Integrate understanding of the needs, the characteristics and multiple influences on development of children birth to age eight as related to high-quality care and education of young children
- Design, implement and evaluate environments and activities that support positive, development and play and learning outcomes for all young children
- Apply effective guidance and interaction strategies that support all children’s social learning, identity and self-confidence
- Develop strategies that promote partnerships between programs, teachers, families and their communities
- Demonstrate ethical standards and professional behaviors that deepen understanding, knowledge and commitment to the EC/CD profession

To complete the requirements for the Associate of Arts for this degree\*, a student must:

1. Complete the requirements for an associate degree.
2. **Complete a minimum of twenty-five (25) units with a “C” or better in each course** in the following program.
3. Complete general education and elective units to meet the minimum 60 units required for the associate degree.
