

2017-2018 Proposed Meeting Dates

The Classified Senate Executive Board in August 2016 decided to meet twice monthly on the second and fourth Fridays of each month to allow more business to come before the senate. Over the last academic year, senate agendas have been full and active, and few meetings lacked quorum. At 2017 Spring Plenary, participants advocated the current meeting schedule on Fridays at 2:00 p.m. remain the best time for classified professionals of all classifications to meet. Therefore, the meeting schedule is proposed to meet at the same interval on the following specific dates during the 2017-2018 academic year. This schedule produces 16 regular meetings and 2 plenary sessions.
