

ETC Meeting Agenda

ETC Charge

Discussing and evaluating ways that technology can promote student learning and assist faculty in teaching.

The Educational Technology Committee (ETC) is authorized by the Academic Senate to use quantitative and qualitative data to develop and recommend policies, professional development, and curriculum for CHC Distance Education (DE) that are consistent with equity, diversity, inclusion, and accessibility.

The primary duties of the committee include (but are not limited to):

1. Reviewing DE addendums through the process approved and adopted by the Curriculum Committee,
2. Making recommendations for professional development related to distance education,
3. Reviewing and making recommendations for new and existing educational technologies and services,
4. Making recommendations for DE pathways,
5. Reviewing and making revisions and recommendations for the Introduction to Online Learning course for students,
6. Reviewing and making revisions and recommendations for the Introduction to Online Teaching course for faculty,

7. Developing a best-practices rubric which includes course design standards for distance education for the purpose of review and recommendation for instructors of online instruction,
8. Forwarding ETC training recommendations so that management may assign from a pool of eligible instructors,
9. Reviewing the success of the of DE courses through the use of online student surveys,
10. Serving as a liaison between campus needs and external entities,
11. Developing recommendations related to the continued growth, quality, and success of the college's DE program to instructional support services, student services, and the curriculum committee,
12. Conducting an annual review,
13. Making revisions and recommendations for the CHC Distance Education (DE) Plan to ensure compliance with state and national DE standards, regulations, and guidelines,
14. Making recommendations for CHC digital resources for online students and faculty,
15. Other AS charges as requested/applicable.

Members (present in bold)
