

## Student Drop Reason Survey

### Current Question

Question: Drop Reason

- Personal Reasons
- Death in the Family
- Insufficient funds

### Option 1 with additional Drop Reasons

Question: We care about making improvements to help students succeed. Please select all of the reasons why you are dropping this course (select all that apply).

- I am not doing well in class
- I did not like the interactions I had with my instructor
- The course was too difficult
- I did not need the course to graduate
- I had technical issues
- My work schedule/responsibilities conflicted with the class
- Health Issues
- Family issues?
- ~~Personal Reasons~~
- Death in the Family
- Insufficient funds
- Other (with place to add text)

### Option 2 with additional Drop Reasons

Question: What are you going to do about dropping this course? **What comes next?**

- ~~I am not doing well in class and~~ I am going to try again in another course
- ~~I did not like the interactions~~ I had with my instructor and I am going to take the course with another instructor
- ~~The course was too difficult.~~ I am going to drop this course and get support when I take this course again.
- ~~I did not need the course to graduate and~~ I am going to find another course that I do need to graduate
- ~~I had technical issues~~
- ~~My work schedule/responsibilities conflicted with the class and~~ I am going to take a class that doesn't conflict with my schedule/responsibilities
- I have health issues and am going to take the course when I am better
- I am experiencing personal reasons. I am going to take the course again after I have addressed them.
- I had a death in the family and I plan to take the course again at another time.

## Student Drop Reason Survey

- I do not have the funding and I am trying to find funding for classes in the future.
