number_courses - How many courses are you planning to take in Fall 2023?

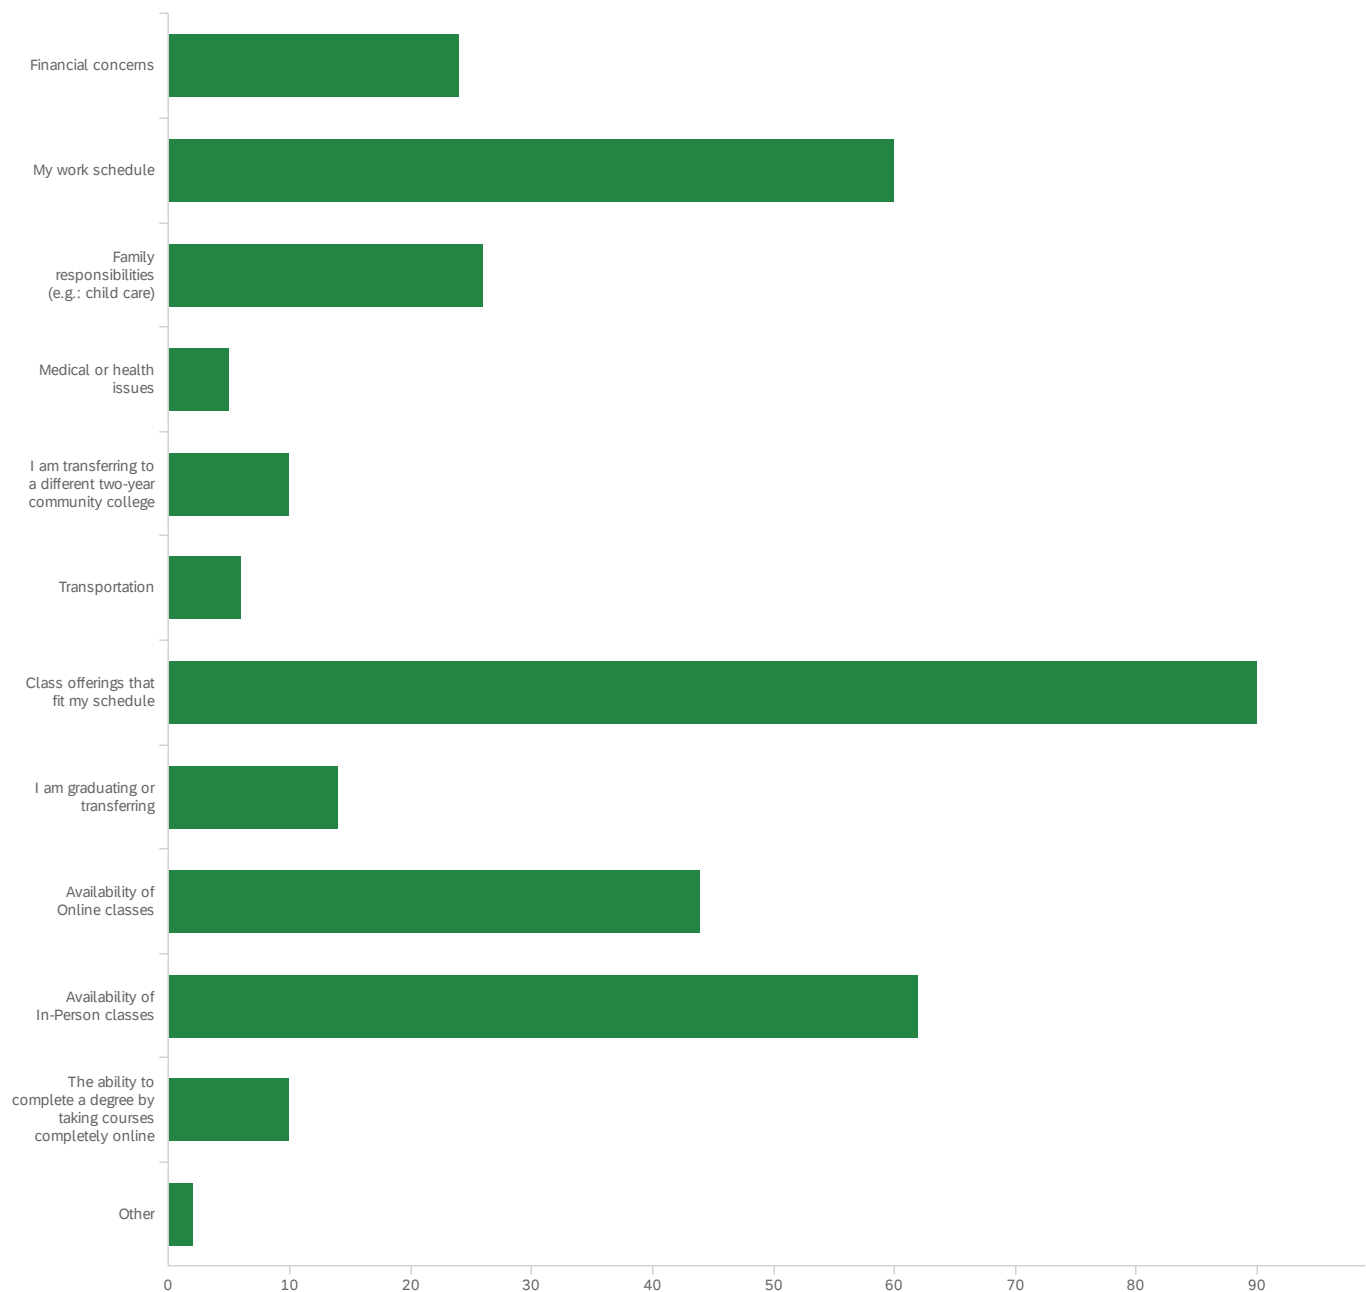

register_type - You indicated that you intend to (or may intend to) register for Fall 2023.

Please select the type of courses you would most likely enroll in for Fall 2023 (Select all that Apply):

Q43 - What factors are having (or will have) the biggest influence on whether you register

for Fall 2023 classes? Please check all that apply.

recommendations - Do you have any recommendations for the class schedule and/or services?

Do you have any recommendations for the class schedule and/or services?

More courses exclusively online

No

have more in-person classes available

Availability of In-Person Spanish IV, late afternoon or at night.

In Person Classes

N/A i prefer some online some in person.

No

None

more staff should be willing to come onto campus to teach, teaching online is easy and lazy in comparison, and the student benefits very little in online learning.

offer more classes in person

No

Need more in person classes please, online is not how I learn. Online only is laziness..

Grants for either single mothers and or married going to school at least taking 3 units to promote moms to go back to school

More offering times

no

More in-person options/times!!!!

More online courses

More physics professors

Crafton hasn't the extensive catalogue like it's sister schools

As a stay at home parent to school aged children, it would be great to have science courses available at 9am after dropping off the kids at school. Instead of in the middle of the day.

Do you have any recommendations for the class schedule and/or services?

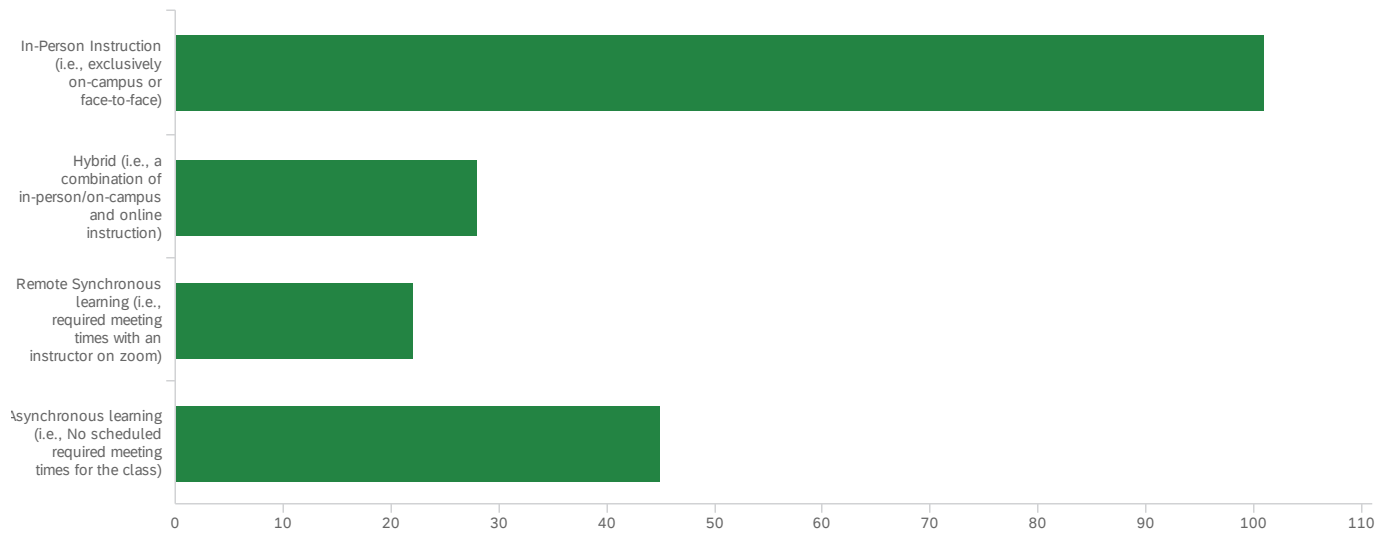

None

You need professors that want to teach.

please offer CIS 132, and CIS 133

Thank you for providing different options for students to take classes.

current_enroll - Please identify the type of classes you are currently enrolled (Select all that apply):
