Streamlining Project Gio	-Gio would like to focus on the last section Vision Goals. Now we want to look at the 4 vision goals and their 3 prompting questions. Reflect on what you are doing in the program, what you are seeing others complete or are committed to now, or what has been completed previously. -Work with your small group in a broad sense to what can be done with the data. -If you can please prioritize having your program section updated before Gio submits to the state. -Gio created breakout rooms with 2-3 members in each group to work on the vision goals for the participating programs. -Delmy asked that all departments have the vision goals updated and completed by next Wednesday 05-24-23. -For other departments that have not been part of the pilot program, please reach out to Gio to get started on your part.
