Faculty Name: _____ Date Completed: _____

Evaluator Name: _____

During the hands-on certification session you will be asked to answer the following questions in your own words to the best of your ability. Answers do not have to be lengthy, but need to adequately cover the topic. The questions are listed below so that you may prepare for the short quiz. Review the question so you are ready to answer them in the hands-on session (do not do ahead of time). For discussion and examples for addressing questions 3, 4 and 5 you may find the following web sites helpful.
