

WHEREAS, Judy Giacona has worked as the Crafton Hills College nurse for the past 20 years and during that time has always put students first; and

WHEREAS, she has demonstrated exceptional talent and expertise in helping students focus on both physical and emotional wellness; and

WHEREAS, she has consistently promoted campus wellness from behavioral to family issues; and

WHEREAS, she has been willing to work with the public safety students and the diverse needs of the public safety program; and

WHEREAS, she has consistently advocated for policies and practices that consider the interests and wellbeing of students as the highest priority;

THEREFORE, BE IT RESOLVED, that she be granted the title and rank of Professor Emeritus and all the rights and privileges associated therein.
