

Resolution S08.04 Residency Requirements for Certificates

Whereas, Current policy requires students intending to earn an associate degree to complete a minimum of twelve (12) units in residence at Crafton Hills College;

Whereas, No similar policy governs students wishing to earn a certificate from the college;

Whereas, A student could complete required coursework for a certificate elsewhere, then transfer to Crafton Hills College and for a certificate without having successfully completed any coursework at Crafton Hills College; and

Whereas, A certificate awarded by Crafton Hills College represents, to those outside the college, coursework completed at the college;

Resolved, That the Crafton Hills College Academic Senate recommend that students intending to earn a certificate complete no less than 50 percent of the courses required for the certificate in residence at Crafton Hills College.
