

Resolution F08.01 Transfer Work and Graduation

Whereas, At present, Crafton Hills College only requires students submit transcripts of work completed at other regionally accredited institutions which will be used toward a degree or certificate;

Whereas, Some categorical programs, such as EOPS, require students submit transcripts of all work completed at other institutions, regardless of whether or not coursework will be used toward the degree or certificate, thus creating a situation in which some students are held to a more rigorous standard than others;

Whereas, Inclusion or exclusion of all college work in the calculation of a student's cumulative grade point average will have an effect on whether a student meets minimum graduation requirements, earns honors designations and/or earns a 4.0 cumulative grade point average;

Whereas, Title 5 obligates the College to keep a transcript which is a "true and complete academic history;"

Resolved, That the Crafton Hills College Academic Senate recommend students intending to earn an associate degree or certificate from Crafton Hills College must submit official transcripts to the Admissions & Records Office from all other regionally accredited institutions attended regardless of whether or not coursework will be used toward the degree or certificate and

Resolved, That the Crafton Hills College Academic Senate recommend that all transfer work will be posted to the student's transcript and be included in the calculation of the overall cumulative grade point average.
