

Resolution F15.03 – ~~In Support of Developing a~~ Middle College High School (MCHS) Program ~~Implementation Plan~~

WHEREAS, there is a need for someone to research the policies, procedures , programs and support services that are required in order to provide a quality MCHS Program at Crafton Hills College, and

WHEREAS, there ~~may be~~ a need for someone to develop a plan that outlines the goals and objectives as well as a timeline and a budget for implementing the MCHS policies, procedures , programs and support services that are required in order to provide a quality MCHS Program at Crafton Hills College.

RESOLVED, that an appropriate amount of new, one-time or district level, funding be allocated to compensate and/or provide ~~reassigned~~ -time to a CHC faculty member to research and develop a plan that outlines policies, procedures and support structures that must be implemented at both the college and the District as well as a timeline and associated facility and fiscal impacts in order to provide a quality MCHS program.

Amend 2nd Whereas as follows:

WHEREAS, there ~~may be~~ a need for someone to develop a plan that outlines the goals and objectives as well as a timeline and a budget for implementing the MCHS policies, procedures , programs and support services that are required in order to provide a quality MCHS Program at Crafton Hills College.

Amend the Resolve as follows:

RESOLVED, that an appropriate amount of new, one-time or district level, funding be allocated to compensate and/or provide ~~reassigned~~-time to a CHC faculty member to research and, ~~if deemed appropriate, to~~ develop a plan that outlines policies, procedures and support structures that must be implemented at both the college and the District as well as a timeline and associated facility and fiscal impacts in order to provide a quality Non-Credit program.
