Dear Ms. Hunter and Mr. Bahner,

The kickoff meeting of the District Strategic Planning Committee for 2010-11 (Friday, August 27 at 10am in ATTC 120) will focus on implementation of the District Strategic Plan, in which the point persons for the objectives are key players. As you may know, you have been identified as point persons for the three Plan objectives related to professional development shown in the attached document. If you possibly can, please join us at that first meeting for a discussion of how best to move forward with the District Strategic Plan this Fall.

Please let me know whether or not you will be able to attend. Thanks very much for your help.

Sincerely,

Charlie
