

Educational Technology Committee

Online Teaching Brown Bag

April 13, 2011 12:00 noon BC 106

Kelly Boebinger
T.L. Brink
Joel Harris
Catherine Hendrickson
Rick Hogrefe
Liz Langenfeld
Mark McConnell
Julie McKee
Meridyth McLaren
Dianne Purves
Kim Salt
Jimmy Urbanovich
Margaret Yau

Presenters: T.L. Brink, Kelly Boebinger, Catherine Hendrickson, Liz Langenfeld

T.L. Brink presented on Google Docs and other Google products. He demonstrated Docs and Sites, both free Google products.

- Uses Google Sites to store files for student access
- Uses Google Docs to set up templates for student reports, etc.

Kelly Boebinger presented on www.dropbox.com. Dropbox.com lets you use a cloud drive for virtual storage to tie files on all your devices into one synched file.

Catherine Hendrickson spoke about www.SkyDrvie.com, a site with functions similar to Dropbox.com.

Liz Langenfeld spoke about trying to get information collaborated across the campus for best practices using Blackboard discussions. She wants to collect information for students and faculty on best practices.
