TOPIC	DISCUSSION	FURTHER ACTION
Approval of IEAOC Minutes, January 22, 2013		
Review of Standard II A and IIB	Notes regarding review of Standard II A from Raju attached	<a href="#">Begin diuscussion on Standard II B</a>

	<p>A substantial amount of discussion was had regarding GE learning outcomes and ILO's. This is an area that the committee feels needs to be addressed ASAP and with the highest priority.</p>	<p>GE Learning outcomes are in place. They have not been assessed in a systematic way. We have ILOs that have been assessed. This is an area that we need to task a group to make progress on. How do we decide what we want? ILOs and PLOs need to be reconciled and assessed. This committee needs to get on this and it needs to be a high priority.</p>
<p>Discussion and Selection, ILO Assessment, 2012-2013</p>		<p>Keep on Agenda for our next meeting.</p>
<p>Other Business</p>	<p>A special thank you to Kieth and Raju for their assistance with the facilitation and documentation for this meeting.</p>
