| Action Items: • Implementation of Request for Student Equity and SSSP funds | The form and rubric for the request for Student Equity and SSSP funds has been posted to the SSEEM committee web page and Dean has sent out an email to the campus inviting submission of requests There was discussion about using Student Equity Funds to pay for student workers. Concerns were | |
| Priority Registration applications and existing | expressed about the use of funds for this purpose. It was discussed and agreed that all the programs currently receiving | |
| programs receiving priority | priority registration other than those that are state mandated would be asked to apply for continuation in the next year. | |

| Discussion and Presentations:SSEEM committee restructure? | There is a request to consider removing Enrollment Management from the SSEEM charge and creating a separate committee. Since there is an immediate need to look at EM strategies to increase enrollment for this academic year it was decided that the EM portion of the SSEEM charge would be handled by a Working Group of the SSEEM committee augmented by other members of campus who have an interest or who should be included in this discussion. Bryan Reece will head up the work group. | Bryan Reece will call a meeting of the workgroup |
