Dear President Marshall:

The Committee on Substantive Change of the Accrediting Commission for Community and Junior Colleges, Western Association of Schools and Colleges met March 6, 2014 to review the Substantive Change Proposal from Crafton Hills College for the temporary relocation of the Basic Fire Academy to the California Department of Forestry and Fire Protection, 3800 North Sierra Way, San Bernardino, CA, 92405.

The Committee acted to approve the request and commends the College on its planning process and for providing a very thorough Proposal for review.

On behalf of the Commission, I wish to express continuing interest in the institution's educational programs and services. It remains the College's responsibility to inform the Commission of any program change. Professional self-regulation is the most effective means of assuring integrity, effectiveness and educational quality.

Sincerely,
