

Definitions and Explanation of Calculations

- **FTF** – Number of full time faculty employed in the discipline. Notes regarding reassign time, reduced load, administrative leave, etc., are included in the comments sections.
- **PTF** – Number of part time faculty hired during the year or summer term based on contracts issued and review of schedules in Datatel
- **Sections** – Number of sections offered in the discipline based on ERIS
- **Sections taught by PT** – Total number of sections taught by part time faculty based on review of schedules in Datatel
- **Sections taught by FT** - Total number of sections taught by full time faculty as part of load and based on review of schedules in Datatel
- **OL** – Number of sections taught as overload by full time faculty based on review of schedules in Datatel
- **FT : PT + OL** – Number of sections taught by PT plus number of OL sections compared to number of sections taught as FT load
- **Cnsus/sectns** – Enrollment at census divided by the number of sections (average headcount)
- **WSCH/FacLd** – Weekly student contact hours divided by faculty load (productivity) based on ERIS
