***Discipline Name Change***

It has been requested that the Curriculum Committee approve and forward to the Board of Trustees for their approval a change in the discipline name from "Speech Communication" (SPEECH) to "Communication Studies" (COMMST). This change is to come in line with the current name of the discipline as well as language used at the statewide-level to describe the Associate in Arts for Transfer degree and our sister college, San Bernardino Valley College, who made the change to the name Communication Studies beginning this academic year.
