COURSE DELETIONS

- ee. **PSYCH 116 Psychology of Gender Roles** (to see course outline go to *SEARCH, COURSES in CurricUNET*)*
Rationale: After careful discussion within the department and with the articulation officer, the Psychology department believes it is in the best interest of students to delete this course as it is not part of the Psychology major and it will not be offered in the foreseeable future. They do not think it is fair to students to have it in the catalog if the course will not be offered. All arguments given to keep the course could have been made for the other courses that were deleted but those courses were accepted as deletions.
