Approval of minutes, October 27		Amended to show adjournment at 3 p.m. Approved as amended
Promotion: Newsletter, possible faculty contributors/collaborators (Gary)	Gary distributed a list of faculty and their SLO activities for the newsletter. The group agreed that the first newsletter should be made available at Service Day in January. Ideas for the contents include an overview of progress on SLO's and an article spotlighting faculty.	
Revised Timeline: Proposed Unit Milestones	Rebecca distributed a proposed timeline. The group made several suggestions: <ul style="list-style-type: none"> • Roll ILOs and SLOs into a single calendar • Emphasize the faculty role • Use the circle graphic Once approved by the committee, deans and directors should review it	Rebecca will bring a revised version of the calendar to the next meeting.
Standards for Documentation: SLO Portal and ELumen Update (from August 25 th agenda)	The group decided, in light of the debate in Academic Senate regarding ELumen, not to undertake a standards discussion at this time. If approved, the new Outcomes charge will include proposing methods for storing and sharing results of assessment.	
SLO's and Senate Discussion	Gary shared the senate resolution he and TL Brink developed. The group was highly supportive.	
Other Business	Keith provided the committee with the results of the ILO mapping pilot. It appears that Critical Thinking will be the first ILO to map on a larger scale.	
Adjournment	3 p.m.
