Approval of minutes, November 10		Amended to show attendance, spelling corrected.
Finalized Timeline	He group reviews a second draft of the SLO/SAO/ILO timeline. RWM had spliced considerable text from last year's Institutional Assessment Plan into the document, reordered the segments, and added a third column to show alignment with actions with the Nichols model. Gary pointed out the model was a graphic that included six steps. The next draft will show steps 4 and 5 collapsed.	The committee will review the Plan revisions at the next meeting.
Mesa Community College SLO Website and Assessment Week http://www.mesacc.edu/about/orp/assessment/	Raju Hegde showed the SLO website from Mesa CC, AZ. The district has an assessment week. The committee discussed how such an event would work at CHC.	The group will discuss assessment week at the next meeting.
SLO's and Senate Resolution, Update	Gary reported the senate resolution passed. He will be working with faculty on alternative outcomes and measures.
