TOPIC	DISCUSSION	FURTHER ACTION
Minutes, March 11, 2013	The minutes were approved as written.	
Lunch		
Review draft feedback for Theater Arts and Music	Did not have comments so will review again at next PPRC meeting.	Will revisit feedback for both programs next week. Keith and PPRC Members will send to comments to Jessica by Wednesday.
Review the PPRC Objective Prioritization Process decided on at the last PPRC Meeting	Keith reviewed the process agreed upon at the last PPRC meeting. Keith also discussed the identification of objectives that had an institutional impact (i.e. resource request or objectives that would impact the institution outside of a department or unit).	
Identify and prioritize objective themes	The process for how the themes were applied to each objective were reviewed with the committee.	
Prioritize objectives within the themes. Decide on how many objectives within each theme will be prioritized.	The committee discussed prioritizing 50 to 60 objectives.	
Review all objectives across themes and adjust priorities as needed. (When moving objectives across themes maintain alignment of objective with overall picture.)	The committee prioritized 60 objectives and then reviewed all of the other objectives to see if any needed to move up higher on the priority list. Seven objectives were moved to a higher priority.	
Review all resource requests across themes and adjust priorities as needed. (When moving resource request across themes maintain alignment of objective with overall picture.)	The committee prioritized 60 objectives and then reviewed all of the other objectives to see if any needed to move up higher on the priority list. Seven objectives were moved to a higher priority.	
Review Future Agenda Items <ul style="list-style-type: none"> • Letter to the President summarizing Program Health • Review of results from PPRC Feedback Survey • Process and Web Tool Improvements for next year • Development of calendar for next year • Discussion and possible revision of 3 year cycle followed by development of new unit schedule 	Keith reviewed the future agenda items. Some discussion occurred on the planning cycles of other colleges. For instance, one college on a five-year cycle was referenced.	Keith will do research on what other schools have done in terms of their annual planning cycles.
