<p>Roadrunner Redesign Workshop Want your department web pages updated quickly? Come learn the new features of the CHC website, including side bars and images. You'll learn how to update contact information, office hours, and add current news or activities. The Web Style Guide for CHC will be reviewed. This workshop is recommended for those who already have a familiarity with Site Core, our content management system.</p>	<p>Kristi Simonson Web Developer Donna Hoffmann Director of Marketing</p>	LRC 110
<p>Student Success and Support Program Plan: A Conversation Participants will learn about the new state required Student Success and Progress program, what CHC is doing to meet the requirements, and how they can be involved in this important college planning process.</p>	<p>Kirsten Colvey Dean, Counseling and Student Success Robert McAtee Chair, Counseling</p>	LRC 135
<p>VAWA and SaVE: What Do Changes in the Clery Act Mean for Crafton Hills? During this workshop you will learn the basic requirements of the Violence Against Women Reauthorization Act of 2014 and the Campus Sexual Violence Act (SaVE) provision. You will learn what is required of campuses making a "good faith effort" to comply with the new requirements, including what is expected in this year's annual security report, changes to the hate crime categories, privacy issues, new student discipline requirements, and requirements to educate students and employees on sexual violence. The presenters will also facilitate a discussion about how CHC can address and prevent campus sexual violence.</p>	<p>Chris Tamayo SBCCD Police Sergeant Krysten Newbury SBCCD Police Officer</p>	LRC 226

Crafton Hills College Opening Day Workshops

<p>Drop In Workshop: Website Updates & Photos Do you want time to review your department web pages and make corrections or updates? Do you want a current photo for the faculty pages? Stop by and get face-to-face help.</p>	<p>Kristi Simonson Web Developer Donna Hoffmann Director of Marketing</p>	LRC 110
<p>Active Shooter Training Active shooter situations are unpredictable and evolve quickly. Because these situations are often over within 10 to 15 minutes, individuals must be prepared to deal with an active shooter situation before law enforcement arrives on scene. Learn how you can help prevent and prepare for potential active shooter situations. The presenters will address questions and concerns specific to Crafton Hills.</p>	<p>Krysten Newbury SBCCD Police Officer Chris Tamayo SBCCD Police Sergeant</p>	LRC 226
<p><u>BORG Data Cube Dashboards</u> This summer the research office has been developing electronic dashboards to provide real-time access to student success data. The dashboards allow the user to easily access data and examine data in many different ways. For example, when working on your program reviews and annual plans this year you will be able to click on a hyperlink and have direct access to your program specific data. As an illustration, if you click HERE from a work computer you will see Crafton's current enrollments for Fall 2014 and how they compare to Fall 2013 enrollments at this time last year. In the workshop we will review the new BORG Data Cube Dashboards and how they work. Hope to see you there!</p>	<p>Keith Wurtz Dean, Institutional Effectiveness, Research, and Planning Co-Chair, Planning and Program Review Co-Chair, Institutional Review Board</p>	LRC208 (Library Fishbowl Classroom)
<p>Campus Construction Tour This is a walking tour to see the progress of all of our construction projects including the Crafton Center, Science Building, OE-2 Building and ending at the new Physical Education Complex. Comfortable walking shoes are recommended.</p>	<p>Mike Strong Vice President, Administrative Services Larry Cook Director, Facilities and Maintenance</p>	Meet in the quad
