Dear CHC Parent,

Parents and families play an integral role in their child's success in college. We want to make sure that parents are prepared for the significant changes in their student's life related to college attendance.

All parents of CHC students admitted this Spring are invited to our CHC Parent Orientation on Thursday, December 15, 2011 or Thursday, January 11, 2012 in our beautiful new Library Auditorium. This orientation is designed to help you assist your student with the transition to community college, and beyond.

Our program will include speakers, the chance to ask questions), and light refreshments. If you or your student has any disability-related needs, please let us know so that we can provide appropriate accommodations. Please note that child care will not be provided.
