EXCEPTIONS: The following groups of students do not qualify for priority registration.

- Students who have previously earned a Bachelor's degree or higher
- Students who have completed 100 or more combined units within the San Bernardino Community College District
- Students who have been on academic or progress probation for the two immediately preceding terms

Beginning Spring 2014, students will have to maintain at least a 2.0 GPA to keep their Priority Enrollment.

Students may appeal their Priority Category.

2. 90/100 Unit Limit

Students who have accumulated 90 units at Crafton Hills College or 100 units between CHC and San Bernardino Valley College are not eligible for Priority Registration. Specific high-unit majors or programs may be exempt; e.g., Respiratory Care.

3. Course Repetitions

Students can only repeat a course **two** times, for a total of three attempts, between Crafton Hills College and San Bernardino Valley College. Withdrawals count toward that limit. (As always, there may be some exceptions.)

4. Financial Aid

Expect stricter financial aid requirements in the future (Fall 2015). The BOG Waiver may require a 2.0 GPA, which means grades will need to be verified before awards are issued each semester.
