Enhancing Educational Excellence

Welcome Scholarship Sponsor,

The Crafton Hills College Foundation coordinates a web-based clearinghouse of scholarship opportunities for students. We are pleased that you are considering becoming one of our scholarship partners. This form will guide you through the process of establishing the criteria for your scholarship award. Please complete this form and contact us if you have any questions at all about our process. We look forward to including you in our scholarship program.

Administration: All scholarship funds contributed for student financial assistance are administered and managed by the Crafton Hills College Foundation. All scholarship funds and awards must be free from illegal restrictions and/or discriminatory provisions. Gifts given to the Foundation are irrevocable.

Award Qualifications: All funds contributed for student financial assistance are awarded on the basis of academic achievement and in conformity with established needs analysis procedures, except where special restrictions are specifically requested by the donor and fit within the purpose and limits of the Foundation.

Selection of Scholarship Recipients: Scholarship recipients will be selected by the College Scholarship Committee or by a designated department committee in conformity to the donor's wishes. All students complete the same detailed application online. Their information is then matched with your criteria to create your candidate pool. The CHC Standard application package includes a career goals essay, major, GPA- verified by the college, units enrolled, units completed, income and demographic information.

The Foundation Board: The Foundation welcomes recommendations from donors regarding the use of scholarship funds. However, the Foundation reserves the right to determine all scholarship awards and how scholarship funds are managed.

Named Annual Scholarship: A five year commitment of \$500 per year is recommended to establish this form of scholarship. The annual gift is awarded to a recipient or recipients over the five year period. This is not a permanent fund. You will receive an annual report of the balance of the scholarship account at or near year end. You will receive an invoice for funds once the requirements of the scholarship recipient have been verified.
