

President's Board Report *June 16, 2011*

Beautiful Commencement Concludes Academic Year

The 2011 Crafton Hills College Commencement was held on May 26. Almost 630 students had earned almost 700 degrees and certificates in the fall 2010 and spring 2011 semesters and the summer 2011 session. Festivities began with a Graduation Breakfast served by faculty, staff and administrators immediately following the graduation rehearsal. Graduates and their families heard comments from President Gloria Macías Harrison, SBCCD Chancellor Bruce Baron and CHC Academic Senate President Scott Rippy. The student speaker was Christopher Walsh, incoming Student Government President, CHC class of 2012, and the degrees were presented by the SBCCD Board President Carleton Lockwood, Jr.

Message from the President

Congratulations, CHC Class of 2011!
I am so proud of each of our 630 graduates, and it was wonderful to see so many of you participate in the Commencement ceremony. Thank you to the faculty, staff and administrators for a beautiful event, and a special nod of appreciation to our alumni speaker, Todd Anton, CHC Class of 1988, for his entertaining and inspirational message. I wish everyone the very best as they take their next professional and academic steps. Have a terrific summer!

Convocation Celebrates Excellence!

More than eighty students received scholarships, special recognition or both at the Annual Crafton Hills College Convocation on May 20. More than \$55,000 was distributed through the CHC Foundation to continuing and transferring students. Many students received their scholarships from donors who had traveled long distances to present the awards, a very special indication of their level of commitment. Scholarships are often created to honor family members who have passed on and who had a deep connection to the College. Others are created by local businesses wanting to recognize and support students who have worked very hard to reach their academic goals. In addition to the scholarships, Medallions were presented to students with outstanding academic achievement and President Gloria Macias Harrison selected one student for her service to students and dedication to the College.

Kaylee Hrisoulas receives the President's Award from President Harrison. Kaylee served as the CHC Student Trustee, ASHC President and on numerous committees and activities.

CTE Programs Graduate!

New EMTs Join Professional Ranks

Monday EMT Class

Wednesday EMT Class

Friday EMT Class

More than 60 new Emergency Medical Technician Basic students completed the program this Spring and earned their certificates. Successful students had the opportunity to participate in the May 24 EMT Graduation ceremony held in the Performing Arts Center and attended by friends and family.

Trustee Donna Ferracone, President Gloria Macías Harrison, Vice President Rebecca Warren-Marlatt, and Dean June Yamamoto congratulated the graduates.

EMT Program Director Gary Reese

Eleven Complete Radiology Technology Training

The Radiology Technology Graduation ceremony was held June 8 at the Arrowhead Regional Medical Center. Program Director Morris Hunter and Clinical Coordinator Julie Leahy-Curtis joined the CHC Dean of Career Education and Human Development June Yamamoto in congratulating the students for completing the challenging program in a demanding field.
