

## President's Board Report June 14, 2012

### A Glorious Graduation!

More than 500 students who earned about 600 degrees were eligible to walk in Commencement on May 25. President Harrison was the featured speaker and Marcus Dashoff the student speaker. Despite the cold and wind, the celebration was lovely and appreciated by all.

### Message from the President

I closed my speech at Graduation with the following, which I feel also represents my wishes to my family at Crafton Hills College:

May I offer this toast on your behalf – it comes from Spain and is very old:

*Salud, Amor, Pesetas y tiempo para gozarlos* - let me paraphrase it:

I wish you good health that comes from a healthy body and mind;  
I wish you love – not only the love of others but the ability to love your self;  
I wish you good fortune and success in whatever way you define it;  
And lastly, I wish you time to enjoy throughout your life.

All my very best,

*Gloria M. Hanson*

## Dr. Cheryl Marshall Named Interim President

The Board of Trustees of the San Bernardino Community College District (District) has officially appointed Dr. Cheryl Marshall as the Interim President of Crafton Hills College (CHC) upon the retirement of President Gloria Macías Harrison on July 2. Dr. Marshall is the current Vice President of Instruction at CHC.

Gloria Macías Harrison, President of Crafton Hills College since 2000, said, "We are fortunate to have such an experienced leader stepping into an essential position. I have had the pleasure of working closely with Cheryl for these past five years and I know that she will always keep the students first as she works with faculty, staff and her team of administrators guiding the college."

Chancellor Bruce Baron said, "I am looking forward to working with Cheryl Marshall as we move Crafton Hills College forward. She is a positive and hard-working individual whose leadership skills have earned her the respect of her campus."

"It is an honor to serve the College and the District as Interim President of Crafton Hills. I have a deep respect for my colleagues at Crafton Hills and have enjoyed working with them for the past five years. I look forward to a new adventure and to continuing the great progress we've made as an educational institution," said Dr. Marshall.

Dr. Cheryl Marshall has served as the Vice President of Instruction at Crafton Hills College since July 2007. Her operational duties include oversight of all instruction in three divisions which encompass over 35 programs. As the Accreditation Liaison Officer for the College since 2008, Dr. Marshall led the successful efforts to resolve all findings from the Accrediting Commission for Community and Junior Colleges; the Commission removed the College from sanctions in February 2011. She has also chaired a variety of committees on campus including the Educational Master Plan Committee, Planning and Program Review, Accreditation, and Educational Technology. Prior to joining Crafton Hills College, Dr. Marshall worked at Mt. San Antonio College in several administrative positions including Associate Dean of Business and Director of the Center of Excellence. Prior to working in the Community College System, she was a "freeway flyer" teaching business and human resources courses at Cal Poly Pomona, Claremont Graduate University, Azusa Pacific, and others, while maintaining a training and consulting business.

## Scholars Convocation Awards Scholarships to More than 80!

The Crafton Hills College (CHC) Foundation presented more than \$60,000 in scholarships to more than 80 excited CHC students in the presence of their family members and friends at the annual CHC Scholars Convocation celebration. Medallions honoring scholastic and leadership achievements and the President's Award were also presented by participating administrators and faculty in full graduation regalia. This is the largest amount of money presented to the largest number of students in the history of the Foundation. The Foundation is a nonprofit corporation devoted exclusively to raising funds for scholarships, grants, and other types of assistance for CHC students, programs and faculty.

Gifts to the college can be allocated for the college's greatest need or designated specifically. Gifts may be designated to an academic area, to scholarships, to any of the various cultural or community programs of the college, or to current capital projects. A loved one may also be honored by donating a memorial or honorarium in his or her name.

## EOPS/CARE/CalWORKs Recognizes Success Stories!

The Crafton Hills College (CHC) Educational Opportunities Programs & Services (EOP&S) department, which also services CHC CARE and CalWORKs students, honored 30 students who were graduating in May and 105 who had earned “scholars” status on May 11 at a special ceremony in the Finkelstein Performing Arts Center before the students’ families and friends. “Scholars” are students who have maintained a 3.0 gpa or above for 24 units. The average full-time semester is 12 to 15 units, so these students have maintained a “B” or better for a full college year.
