EnrCenResSec	Census Enrollment Residence: The number of California Residence who are enrolled in a given section on the Census Date.
EnrDropB4StartSec	Enrollment count of the number of students who dropped the class prior to the first day of class.
EnrFTESNRes	FTES Non-Residents: TSCH/525
EnrFTESResSec	FTES Residence: TSCH/525
EnrMaxSec	Enrollment count of the total number of studetns who ever enrolled in the class (excluding those who dropped prior tof first day).
EnrStatFaStu	Enrollment Status for Spring semester, (N)ew, (C)ontinuing, (R)eturning
EnrStatSpStu	Enrollment Status for Fall semester, (N)ew, (C)ontinuing, (R)eturning
EnrTschNresSec	Total Student Contact Hours non-Residence: Theoretically, the total number of hours that a faculty member has been in contact with a student in a given course-section. There are many different ways of calculating this.
EnrTschResSec	Total Student Contact Hours Residence: Theoretically, the total number of hours that a faculty member has been in contact with a student in a given course-section. There are many different ways of calculating this.
EthnicityStu	Enthnicity (A)sian, (B)lack, (H)ispanic, (D)oodletdum, etc.
GenderStu	(M)ale, (F)emale
GradeACntSec	Number of students in the class who earned an A
GradeACntSec	Number of students in the class who earned an A
GradeACntSec	Number of students in the class who earned an A
GradeACntSec	Number of students in the class who earned an A
GradeACntSec	Number of students in the class who earned an A
GradeBCntSec	Number of students in the class who earned an B
GradeCCntSec	Number of students in the class who earned an C
GradeDCntSec	Number of students in the class who earned an D
GradeFailedCnt	Number of students who received a D, F, or NC
GradeFCntSec	Number of students in the class who earned an F
GradePassCnt	Number of students who received an A, B, C or CR
HomeCityStu	City as listed on the student academic Records
HomeZipStu	Zipcode as listed on the students academic records
LastHighSchoolStu	Last high school attended.
LocationSec	Site within each college that the class is offered, SBVC, CHC are on campus….SOFF and COFF are off campus. SBBHS-Big Bear High School, SBSD - Sherrif's academy
NoSec	Section Number
NoWeeksSec	Number of weeks this section is scheduled to run.
PASS%	Number of students

ResidencyStu	Residency code. This is used mostly for the purpose of apportionment (50000) is California
RptPeriodSec	The 320 reporting period in which the enrollment count for this class becomes known..(P1-Class that end before December 31, P2: Courses that have ended by April 15; P3-FINAL - all courses are known by now.)
RptYearSec	Reporting Year is the year that this class will be reported for MIS and State apportionment purposes.
SecActFaStu	Active Sections Fall: The number of Sections the student currently has active. This will be the final number of the semester has ended.
SecActSm1Stu	Active Sections 1st Summer Intersession, This is the session from July 1st, til fall semester begins.The number of Sections the student currently has active. This will be the final number of the semester has ended.
SecActSm2Stu	Active Sections 2nd Summer Intersession, This is the session from the end of Spring term until June 30. The number of Sections the student currently has active. This will be the final number of the semester has ended.
SecActSpStu	Active Sections Spring: The number of Sections the student currently has active. This will be the final number of the semester has ended.
SecCntFaStu	Section Count Fall: The Total Number of sections a student ever enrolled in for Fall Semester..
SecCntSm1Stu	Section Count 1st Summer sessin The Total Number of sections a student ever enrolled in from July 1 until the beginning of Fall term.
SecCntSm2Stu	Section Count Spring The Total Number of sections a student ever enrolled in from the end of Spring Semester until June 30.
SecCntSpStu	Section Count Spring The Total Number of sections a student ever enrolled in for Spring Semester of a given Reporting Year..
SecKey	Identifier for each section. This should be used for counting in the Data field
SecWareDate	Date(s) that that data in this file were added to the warehouse
StartDateSec	The first day the course is suppose to meet.
StatusDateSec	The date that the status on a given course was changed.
StatusSec	The status of the course, (A)ctive, (P)ending, (C)ancelled
StuAcadYr	If used, it is defined as Summer, Fall, Spring…and is designated by the year of the spring term.
StuCollege	College the Student Attends (C)rafton, (V)alley
StuID	StudentID is used for counting and sorting. Not for indentification
StuWareDate	Date(s) that that data in this file were added to the warehouse
TermCntStu	Number of Terms a given student has attended the college.
TermFirstStu	First Term a student has been enrolled in the college
TermLatestStu	Most recent term a student has been enrolled in the college.
TermSec	The six cahracter code which designates the term, e.g. 2000FA
TermSemesterSec	The 2 character Semester code of the Term field e.g. FA, SP, SM
TermYearSec	The 4 digit year of the Term field.
UnitsSec	The number of units for which the course is offered.
UntActFaStu	Active units Fall: The number of units the student currently has active. This will be the final number of the semester has ended.
UntActSm1Stu	Active units 1st Summer Intersession, This is the session from July 1st, til fall semester begins.The number of units the student currently has active. This will be the final number of the semester has ended.
UntActSm2Stu	Active units 2nd Summer Intersession, This is the session from the end of Spring term until June 30. The number of units the student currently has active. This will be the final number of the semester has ended.
UntActSpStu	Active units Spring: The number of units the student currently has active. This will be the final number of the semester has ended.
UntCntFaStu	Section Count Fall: The Total Number of units a student ever enrolled in for Fall Semester..
UntCntSm1Stu	Section Count 1st Summer sessin The Total Number of units a student ever enrolled in from July 1 until the beginning of Fall term.
UntCntSm2Stu	Section Count Spring The Total Number of units a student ever enrolled in from the end of Spring Semester until June 30.
UntCntSpStu	Section Count Spring The Total Number of units a student ever enrolled in for Spring Semester of a given Reporting Year..
