Four-Year Planning Schedule – Start Year 2026-2027

Requirements for Each Type of Plan

- SLOs/SAOs (Copy prior plan and submit)** – SLO/SAO plan types are labeled as two-year plans in the PPR tool. No specific responses are required though programs are allowed to revise any desired sections in the PPR tool. Programs need to continue assessing and reporting SLOs using the [SLO Cloud](#) or SAOs using the [SAO Submission Form](#). The SAO Submission Form is designed for Administrative Services, Student Services, and specific Instructional Areas.
- 2yr** – (Two-Year Plan) (**Questions #4 and #10 need to be updated**) – Review and update the goals and objectives and the SLOs. Submit the finalized two-year plan by the due date in the spring term (see PPR Timeline for date). The PPRC will review each two-year plan and provide written feedback. Please include data for the most recent two academic years.
- 4yr (PR)** – Four-Year Program Review – Complete all questions in preparing a four-year plan. Please include data for the most recent four academic years. **Please note: You will not be able to copy over prior year goals, objectives, and resource requests for Question 10.**
