

## 2023-2024 Athletics Satisfaction Student Survey

The findings in this report stem from the 2023-2024 Athletics Satisfaction Student Survey, with a total of 6 valid responses collected. The survey asked student-athletes to provide feedback on various aspects of their experience in the athletics program, including the accessibility of facilities, the inclusiveness of their teams, and the quality of coaching received. It is important to note that participation in the survey, as well as responses to individual questions, was voluntary.

Please select the current semester.	#	%
Fall 2023	4	66.7

### Summary of Key Findings

- All student-athletes (100%) found the process of becoming a student-athlete easy to understand.
- All respondents agreed that the equipment and facilities were accessible and were also satisfied with the locker room facilities.
- Every participant knew where to access on-campus support and felt they could balance academics and athletics.
- All respondents reported that their teammates created an inclusive environment and agreed that coaches treated them with respect and provided useful feedback.
- Overall, every respondent (100%) was satisfied with the athletics program at CHC.

**Note:** These findings are based on a small sample size, so interpretations should take into account the limited data available.
