Is there a specific topics you would like to see included in the training that were not listed above
ARCH/GIS; CULART/HOSP; EDUC/READ and HUMSV at SBVC. EMT at CHC.
CalGETC Updates (3 mentions)
Counseling DACA students during the Trump administration. Bachelor's Degree in Respiratory Care. Crafton's CNA program.
I have heard financial aid covers students tuition if enrolled in both CHC and SBVC. Could we get clarifying information regarding financial aid and how it affects or does not affect students enrolled at both CC's.
SBVC Pharmacy and Psych Tech and Education AA-T
The functions of Counselor Liaisons, Collaborative efforts with Instruction as it relates to Career and Academic Pathways, Counselors roles in "Student Equity and Achievement Programs" and implications moving towards Vision 2030. Also...the importance of College Planning Documents and strong working relationships with IR and Research
Yes, there are counselors that need retraining in some areas and shadowing other counselors. It would be good for all specialized programs to share a short training for their area as well. I am hoping adjuncts will be part of this.
