

# April 2019

## Math and Science Workshop Calendar\*\*

Monday	Tuesday	Wednesday	Thursday	Friday
1 9:00 – Rational Expressions 4:00 – Unit Conversion	2 10:00 – Nomenclature 4:00 – Rational Expressions	3 8:00 – Sig. Figs. 4:30 – Nomenclature 6:00 –Scientific Calculator	4 11:00 – Fractions II 3:00 – Factoring	5 10:00 – Rational Expressions 11:00 – <b>Budgeting</b>
8 10:00 – Periodic Table 4:00 – Stoichiometry 6:00–Solving Rational Equations	9 <b>FLEX DAY</b> <b>Tutoring Center Closed</b>	10 10:00 – Integers 4:30 – Nomenclature 6:00 –Scientific Calculator	11 10:00 – Periodic Table 4:00 – Stoichiometry 6:00–Solving Rational Equations	12 8:30 – Order of Ops. 9:30 – Unit Conversion
15 9:00 – Nomenclature 3:00 – Molarity 4:00 – Factoring	16 9:30 – Sig. Figs. 4:30 – Unit Conversion	17 8:30 – Nomenclature 3:30 - Exponents 5:00 – Chem Study Group	18 9:30 – Unit Conversion 5:00 – Diff. Equations	19 8:30 – Order of Ops. 9:30 – Unit Conversion
22 8:30 – Order of Ops. 11:00 – Kinetics 3:00 – Nomenclature	23 10:00 – Factoring 5:30 – Molarity	24 9:00 – Exponents 4:30 – Sig. Figs. 6:00 – Chem Study Group	25 10:30 – Molarity 3:30 – Nomenclature 6:00 – Linear Alg.	26 9:30 – Unit Conversion
29 9:30 – Nomenclature 3:30 – Periodic Table	30 10:30 – Exponents 5:00 – Unit Conversion	1 (May) 10:00 – Sig. Figs. 5:00 – Titration 6:00 – Calc. 1 Study Group	2 (May) 10:00 – Stoichiometry 6:00–Solving Rational Equations	3 (May) 9:00 – Adding and Subtracting Rational Expressions

<b>Notes</b>	All workshops are located in the Tutoring Center (LRC-137) unless otherwise indicated.	Please take your calculator, textbook, course notes, and a writing utensil to all workshops!	Additional workshops are scheduled according to the needs of students.*	Crafton Hills College Tutoring Center LRC-137 (909)389-3312 <a href="http://www.craftonhills.edu/current-students/tutoring-center/index.php">http://www.craftonhills.edu/current-students/tutoring-center/index.php</a>
--------------	--	--	---	--

<ul style="list-style-type: none"> <li>• Unit Conversion and Significant Figures workshops benefit all math and science students.</li> <li>• Nomenclature and Periodic Table Workshops benefit Chemistry students.</li> </ul>	<p>*Contact Joshua Hidalgo (<a href="mailto:jhidalgo@craftonhills.edu">jhidalgo@craftonhills.edu</a>) to schedule additional workshops.</p>
---	---

\*\*Please visit our website for updated information regarding workshop dates, times, and topics.
