

February 2019

Math and Science Workshop Calendar

Monday	Tuesday	Wednesday	Thursday	Friday
				1
4	5	6	7	8
8:30 – Nomenclature 10:00- Unit Conversion 5:30 – Fractions I	8:30 – Nomenclature 10:00- Unit Conversion 5:30 – Sig. Figs.	10:00 – Periodic Table 4:30 – Nomenclature 6:00 – Exponents	10:00 – Periodic Table 4:00 – Exponential/Log Functions 5:30 – Integers	9:30 – Sig. Figs. 11:00 – Integers
11	12	13	14	15
9:00 – Fractions II 4:00 – Scientific Calculator	9:30 – Sig. Figs. 1:00 – Order of Operations 4:30 – Unit Conversion	8:30 – Nomenclature 3:30 – Graphing Common Functions 5:00 – Diff. Equations	9:30 – Stoichiometry 3:00 – Word Problems I 6:00 Calc 1 Review	No class in observation of President' s Day
18	19	20	21	22
No class in observation of President' s Day	10:00 – Periodic Table 5:30 – Graphing Common Functions	9:00 – Periodic Table 4:30 – Sig. Figs. 5:00 – Word Problems I	10:30 – Unit Conversion 3:30 – Nomenclature 6:00 – Fractions II	8:30 – Unit Conversion 10:00 – Do you have time?
25	26	27	28	1 (March)
9:30 – Nomenclature 11:00 - Exponents 3:30 – Periodic Table	8:30 – Sig. Figs. 4:00 – Word Problems I	10:00 – Fractions/Decimals 5:00 – Nomenclature	11:00 – Unit Conversion 4:00 – Sig. Figs. 5:00 – Calc 1 Review	10:30 – Integers

Notes	All workshops are located in the Tutoring Center (LRC-137) unless otherwise indicated.	Please take your calculator, textbook, course notes, and a writing utensil to all workshops!	Additional workshops are scheduled according to the needs of students.*	Crafton Hills College Tutoring Center LRC-137 (909)389-3312 http://www.craftonhills.edu/current-students/tutoring-center/index.php
--------------	--	--	---	--

- Unit Conversion and Significant Figures workshops benefit all math and science students.
- Nomenclature and Periodic Table Workshops benefit Chemistry students.

*Contact Joshua Hidalgo (jhidalgo@craftonhills.edu) to schedule additional workshops.

**Please visit our website for updated information regarding workshop dates, times, and topics.
