

May 2019

Math and Science Workshop Calendar**

Monday	Tuesday	Wednesday	Thursday	Friday
6	7	8	9	10
9:30 – Order of Ops. 11:00 – Motion 3:00 – Exp/Logarithms	10:00 – Molarity 6:00 – Exp/Logarithms	9:00 – Graphing Common Functions 5:00 – Diff. Equations	10:30 – Molarity 3:30 – Nomenclature	8:30 – Solving Rational Equations
13	14	15	16	17
8:30 – Order of Ops. 11:00 – Kinetics 3:00 – Calc 1 Study Group	10:00 – Stoichiometry 5:30 – Trigonometric Identities	9:00 – Exponents 4:30 – Chem Study Group	10:30 – Nomenclature 6:00 – Linear Alg.	10:00 – Graphing Rational functions
20	21	22	23	24
11:00 – Molarity 3:00 – Nomenclature	10:00 – Stoichiometry	9:00 – Alg. Study Group		
27	28	29	30	31

Notes	All workshops are located in the Tutoring Center (LRC-137) unless otherwise indicated.	Please take your calculator, textbook, course notes, and a writing utensil to all workshops!	Additional workshops are scheduled according to the needs of students.*	Crafton Hills College Tutoring Center LRC-137 (909)389-3312 http://www.craftonhills.edu/current-students/tutoring-center/index.php
--------------	--	--	---	--

- Unit Conversion and Significant Figures workshops benefit all math and science students.
- Nomenclature and Periodic Table Workshops benefit Chemistry students.

*Contact Joshua Hidalgo (jhidalgo@craftonhills.edu) to schedule additional workshops.

**Please visit our website for updated information regarding workshop dates, times, and topics.
