

Article, Determiner and Quantifier Part 1

Goal: This Directed Learning Activity is intended to introduce you to articles, determiners and quantifiers, and will help you become familiar with terms, definitions and applications of the concepts surrounding the topic.

Activities: This portion of the Directed Learning Activity is meant to be done independently. This portion will include activities such as exercises, games, Power Point presentations, and/or other lessons that show applications of the topic. You should print all materials used and take notes on anything you learn in this Directed Learning Activity.

1. Cut and paste the following URL, then read the portion titled "The Articles":
<http://grammar.ccc.commnet.edu/grammar/determiners/determiners.htm>
2. Now that you have read this portion, give the definition of an article, name the three types of them and provide three examples for each.

a. Type 1: _____

i. _____

ii. _____

iii. _____

b. Type 2: _____

i. _____

3. Using the same link provided in the first exercise, go to the tab title:

Quiz on “A”, “An” and “The”

Review: With a tutor at the Writing Center, discuss specific terms, their definitions, and all of the examples you have written. Make sure to be clear about your understanding of the definitions, and the examples you have given. Clarity will be gauged by your use of specific terms you learned during the Activities portion of this Directed Learning Activity. **In order to pass this Directed Learning Activity, everything in the exercises section must be correct.**
