For each university, you may choose **three (3) additional questions** from the list below, or make your own. Use the blank section above for your answers.

Do you offer fully ONLINE programs? If not, do you offer evening programs for working adults?

Do you have my major? What is the average GPA for admission to this major?

What academic elements are considered in the admissions process, for example: courses, grades, test scores, rank, interests, essays, recommendations, and interviews? How important are each of these factors?

How and when do I apply for admission?

How easy is it to change majors? Do you allow double-majors?

What is your campus community like? Location – rural, small town, big city? How many undergraduate students?

What is the total cost-of-attendance at your campus?

- When are fees due, should I expect additional costs, and do you offer payment plans?
- What financial aid programs/services does your campus have?
- When and how will I be notified if I qualify for financial aid?

What types of support services do you offer? Ex. disabled student services, internships, tutoring, job fairs, study abroad, etc.

How successful are your graduates in finding jobs?

Additional questions you may want to ask:

- What is the student-faculty ratio?
- How diverse is your campus?
- Do most students live on-campus or off-campus? How active is your student life on campus?
- Can I work on-campus without qualifying for federal work-study?
