11/2024 Cuevas November Report The Senate considered a response to the Champion letter. We then discussed the restructuring of Cal Grant and the CHC General Education course requirements, forming an opinion that was present here at the last meeting. Additionally, there's a proposal for a committee dedicated to showing gratitude to our firefighters and another committee for planning. We also reviewed club charters for the Christianity Club, Mathematics Club, and DND Club, and discussed updates for the upcoming year. There was a proposal to allocate \$1,200 to support both the Christmas Club and a broader student event. The Senate discussed and approved changes to our bylaws. A noteworthy item on the agenda was a presentation by Larry Aycock on the Booksaver program. This presentation offered insights into the program's structure, anticipated benefits, and impact on students. A financial report was given by director Van Stee. Finally, there was an opportunity to hear from Brandon Cooley of RIXLADo, enhancing student engagement.
