FOR SENATE USE ONLY - FACULTY COMMENTS ONLY

Feedback will be compiled and shared as recommendations from the body.

ALL COMMENTS

Meeting Conflicts: Several committees overlap, specifically Curriculum and SEAC, DEPC and AS Exec, Budget and Safety. There's a request to adjust scheduling to avoid these conflicts, enabling broader faculty participation.

Executive Availability: AS Exec meetings are missing from the schedule, limiting the ability of executive members to participate fully or collaborate effectively.

Committee Frequency & Flexibility: Academic Exceptions doesn't have regular meetings; Fridays seem flexible, suggesting they could accommodate scheduling adjustments. There's a proposal to move Program Planning and Review (PPR) into Academic Exceptions' slot and alternate SEAC with Curriculum.

Time Distribution Concerns: Questions arose about why Tuesday and Thursday mornings are unused, while late afternoons on those days are crowded. Clarification is requested on scheduling logic and alignment with popular class times.

Committee Participation & Membership Diversity: Concerns include whether scheduling has been assessed for maximizing attendance and diversity. There's interest in tracking committee participation and updating meeting times if membership issues arise.

Committee Openness: Clarification is needed on whether SS Council and Chairs Council are open to all members. If they're closed groups, there's a request to reconsider listing them alongside open committees.

Alternating Meetings: A suggestion to alternate monthly meetings for Budget and Safety committees to reduce scheduling strain and prevent overlaps.

AS COMMENTS

Academic Senate and EXEC will be moved to 2:30 to 4:00

Faculty GP will be removed as it never got started.
