

Instructions

In accordance with "10+1", Crafton Hills College relies primarily on the Academic Senate for program development. Please review the data associated with existing programs below and indicate what future growth projections look like over the next 10-15 years. Also, note any new programs recommended for consideration. These recommendations will be factored into the Facilities Master Planning as we design for anticipated growth in the next 10-15 years.

Program/Discipline Summary Data															Senate Growth Recommendation			
Subject	Lec:Lab	Weekly Student Contact Hours (WSCH*) for Fall Semesters											Avg Annual Growth **	Industry Need ***	High	Moderate	Flat	Decline
		2005	2006	2007	2008	2009	2010	2011	2012	2013	2014	2015						
Dance (DANCE)	DANCE	10:90									58	166	186	79.7%
