## BP 7211 Faculty Service Areas, Minimum Qualifications, and Equivalencies

The San Bernardino Community College District shall establish procedures for determining faculty service areas that adhere to collective bargaining agreements.

In addition, the District will establish procedures to determine minimum qualifications and equivalencies for minimum qualifications for hiring faculty that are compliant with relevant sections of the Education Code and Title 5 regulations and include reasonable procedures to ensure that the Governing Board relies primarily upon the advice and judgment of the Academic Senate to determine that each individual employed under the authority granted by the regulations possesses qualifications that are "at least equivalent to the applicable minimum qualifications" per Education Code Section 87359(b). These procedures will ensure the hiring of highly qualified faculty who are experts in their subject matter areas, who are skilled in teaching and serving the needs of a varied student population, who can foster overall college effectiveness, and who are sensitive to and themselves represent the racial and cultural diversity of the College District community.
