The San Bernardino Community College District seeks a qualified and diverse administration, faculty, and staff dedicated to student success. The District is committed to an open and inclusive hiring process that supports the goals of equal opportunity and diversity, providing equal consideration and opportunities for all qualified candidates. The goal of every hiring process is to select the qualified candidate who best meets the needs of our students.

The faculty, staff, and administration recognize the importance of an effective hiring process that reflects mutual professional responsibility and interest in achieving the common goal of hiring outstanding faculty that will enhance the learning experience for all students and fulfill the mission and goals of the College and the District.

Hiring faculty, classified staff, and administrators is accomplished through selection committees, which produce a recommendation of a final candidate from the President, or other appropriate administrator, to the Chancellor to recommend to the Board for employment.

HIRING QUALIFICATIONS

Minimum Qualifications

The San Bernardino Community College District has established the following hiring qualifications for all faculty positions:

1. Demonstrated sensitivity to, understanding of and respect for the diverse academic, socioeconomic, cultural, religious, sexual orientation, disability, and ethnic backgrounds of community college students.

2. The Minimum Qualifications adopted by the Board of Governors for California Community Colleges or possession of a valid and appropriate California Community College Credential as provided in Education Code 87355.

3. All applicants will be provided the opportunity to have equivalent qualifications reviewed and considered for meeting minimum qualifications.

Application Procedure

1. The Human Resources Office will determine which applicants meet minimum qualifications as set forth in the job announcement based on information provided on the official application for employment and verified by copies of transcripts provided by the applicant. Applicants not having minimum qualifications but requesting consideration of equivalent qualifications will be separated from those determined to meet minimum qualifications. If there is any discrepancy between the established minimum qualifications and the qualifications presented by an applicant as meeting minimum qualifications, that applicant’s file will be grouped with the applications requesting consideration of equivalent qualifications. Applicant groups for equivalency review will have their qualifications evaluated by the Equivalency Committee, in accordance with the Equivalency Policy and Procedures.

2. The files of all applicants who meet minimum qualifications or who have had equivalent qualifications determined by the Equivalency Committee will be reviewed by the
selection committee. The selection committee will not review the file of any applicant who does not meet minimum qualifications or who has not been determined as possessing equivalent qualifications by the Equivalency Committee. Should the selection committee have any concern about the pool or process, the selection committee chair may confer with the Vice Chancellor of Human Resources & Employee Relations regarding these concerns.

3. For disciplines for which the master’s degree is not generally expected or available (as designated in *Minimum Qualifications for Faculty & Administrators in California Community Colleges*, adopted by the Board of Governors), a “year of professional experience” shall be considered the period of time which the District accepts as a regular work year on a full-time basis. One year of professional experience must have been completed within the three years prior to the closing date for applications for the position. The minimum qualifications listed on the job announcement should identify the specific types of professional experience required for the position.

4. For disciplines for which the master’s degree is not generally expected or available (as designated in *Minimum Qualifications for Faculty & Administrators in California Community Colleges*, adopted by the Board of Governors), the appropriate, valid certification or license to practice shall be stipulated based on the instructional responsibilities of the position. If no certificate or license is appropriate to the position, no certificate or license will be listed as a minimum qualification.

**Desirable Qualifications:**

1. Job announcements may include a set of “desirable qualifications,” separate from the minimum qualifications. These desirable qualifications should describe characteristics that support the responsibilities of the position.

2. The combination of the minimum qualifications and the job-related desirable qualifications will be used as the basis for decision-making throughout the selection, interview, and recommendation of applicants.

**Establishing Minimum and Desirable Qualifications**

1. The minimum and desirable qualifications will be identified by discipline faculty in consultation with the Division/Department Dean or other appropriate administrator and included in an initial draft. When no full-time faculty member currently teaches the discipline, at least two full-time faculty in a reasonably related discipline will draft the desirable qualifications in consultation with the Division/Department Dean or appropriate administrator.

2. The Vice Chancellor of Human Resources and Employee Relations or her/his designee will monitor the minimum and desirable qualifications for adverse impact on groups that have been historically under-represented. If the Vice Chancellor of Human Resources and Employee Relations or designee believes the qualifications appear to be too restrictive, he/she will meet with the discipline faculty and the Division/Department Dean or appropriate administrator to review the qualifications. If discriminatory intent or effect is identified, the Vice Chancellor of Human Resources and Employee Relations shall confer with the appropriate Vice President and the Academic Senate President to determine necessary remedies.

**PROCEDURES**
The goal of every hiring process is to select the qualified candidate who best meets the needs of our diverse student population.

Applications

Human Resources accepts applications and supplemental materials until 4:30 pm on the closing date.

Human Resources will review the composition of the applicant pool to ensure that any failure to obtain projected representation for any monitored group is not due to discriminatory recruitment procedures. If necessary to establish an adequate and representative pool, the application closing date shall be extended and additional recruitment shall be conducted. (A “monitored group” means those groups identified by state and federal regulations for which monitoring and reporting are required. According to the provisions of Title 5 53004 (B), each applicant shall be afforded the opportunity to identify his or her gender, ethnic group identification, and if applicable, his or her disability.) After the pool is approved, all complete applications will be forwarded to the Selection Committee for consideration.

Recruitment and Advertising

Faculty positions are advertised for a minimum of thirty (30) days.

Any ads placed in publications will contain the statement “An Equal Opportunity Employer.”

New faculty will be recruited by means of wide dissemination of job announcements, with special efforts to contact referral sources for underrepresented minorities, persons with disabilities, and women. This dissemination will be the responsibility of the Office of Human Resources.

A complete record will be maintained of all efforts to disseminate information and the response regarding the job opportunity. The record to be kept by the Office of Human Resources includes: (1) recruitment sources, (2) number of applicants for a specific position, and (3) gender, race, and disability status of applicants.

Notification of position openings will be mailed to colleges, universities, and organizations committed to providing equal employment opportunities to a wide range of applicants. In addition, positions are advertised locally and in professional journals and related publications when
appropriate, and the State Chancellor’s Office Job Registry and on the internet as recommended by the appropriate Division/Department Dean or a Vice President.

**SELECTION COMMITTEE**

**Membership**

Selection committees for faculty positions will be established and convened by the Division/Department Dean or other appropriate administrator or his/her designee.

- The Division/Department Dean or appropriate administrator for the position will consult with the faculty in the discipline covered by the job announcement to formulate a preliminary list of candidates to serve as selection committee members. If no full-time faculty currently teaches in the discipline, the Division/Department Dean or appropriate administrator will consult with at least two full-time faculty in reasonably related disciplines.

- The President of the Academic Senate, after consultation with faculty in the discipline of the position and with the appropriate Division Dean, will appoint the faculty to serve on the selection committee.

Membership on all selection committees is confidential.

- An Equal Opportunity Representative from outside of the department/program shall be appointed to the Committee by the Vice Chancellor of Human Resources and Employee Relations or his/her designee. The Equal Opportunity Representative is a non-voting member.

- The Committee should also include representation from those employees or employee groups who are served by or otherwise interact with the position. If a classified employee is selected to serve on the committee, the President of CSEA will provide the names of individuals nominated to serve as the representative from the Senate. The hiring supervisor will select appropriate committee member(s) from those nominees.

- The Search Committee should normally have no fewer than five (5) and no more than nine (9) members.

- A majority of the membership of the selection committee shall be faculty.

- Every Selection Committee will include the Division/Department Dean or appropriate administrator or their designee

- The chair of the Committee will be chosen by a majority vote of the committee.

- When possible, every effort will be made, within the limits allowed by federal and state law, to ensure selection/screening committees include a diverse membership, which will bring a variety of perspectives to the assessment of application qualifications. Selection/screening committees will be encouraged to include members from monitored groups.

- The supervising administrator on the Committee will provide clerical/technical support and coordination.

If unusual circumstances prevent the formation of a Selection Committee as described herein, the Division/Department Dean or appropriate administrator for the position will consult with the Vice Chancellor of Human Resources and Employee Relations or designee to determine a reasonable
representation. However, the final composition of the Selection committee shall remain confidential.

The Selection committee membership list will be forwarded to the Vice Chancellor of Human Resources and Employee Relations or designee for review. If the Vice Chancellor of Human Resources and Employee Relations or designee has concerns about the membership list relative to the representation requirements set forth in this regulation, that officer will recommend changes to the Division/Department Dean or appropriate administrator. It will be the responsibility of the Division/Department Dean or appropriate administrator to communicate the resolution of any concerns to the individual(s) in question. The Human Resources Generalist will be copied on all membership lists.

Training

All faculty, staff, and administrators involved in hiring faculty must receive training on diversity and the employment process for each Committee on which they serve. Such training will be provided by the Office of Human Resources at the first meeting of the Committee. It is the responsibility of the Chair to ensure that each Committee member receives the required training that includes:

- Discussion of District commitment to equal opportunity, diversity, and student success
- The search and selection process
- Role of the Selection Committee
- Development of selection criteria
- Writing effective interview questions
- Role of the Equal Opportunity Representative
- Confidentiality

Responsibilities of the Selection Committee

Members of the Search Committee have the following responsibilities:

1. Participate fully in all selection committee meetings.
2. Disclose personal relationships with or knowledge of or potential conflict of interest regarding any applicant.

The relative or spouse or registered domestic partner of an applicant will not serve on a selection committee for which a relative/spouse/registered domestic partner is a candidate. For the purpose of this regulation, a relative is the mother, father, grandfather, grandmother, grandchild, son, daughter, son-in-law, daughter-in-law, brother, brother-in-law, sister, sister-in-law, niece, or nephew of the committee member. It is the responsibility of the committee member to notify the committee if it is not immediately clear that a candidate is a relative.

3. Review the Administrative Regulations for hiring full-time faculty
4. Review the position announcement.
5. Identify selection criteria based on the minimum and desired qualifications for the position. Selection criteria will include an evaluation of the extent to which applicants explicitly demonstrate sensitivity to and understanding of, the diverse academic, socioeconomic, cultural, disability, religious, sexual orientation, and ethnic backgrounds of community college students.
6. Develop job related interview questions designed to distinguish candidates who will best meet the needs of the students, the department/division, the College, and the District as well as criteria by which to evaluate applicant responses. Interview questions will be forwarded from the chair of the committee to the Equal Opportunity Representative. In the interest of confidentiality, interview questions will not be forwarded to all committee members via e-mail. All interview questions will be returned to the Office of Human Resources.

All questions will be reviewed and approved by the Vice Chancellor of Human Resources and Employee Relations or designee.

Interview questions are confidential and will not be shared outside of the committee.

7. Determine whether to require candidates to perform a skills test or make a presentation in addition to responding to interview questions. When appropriate, such demonstrations should reflect the candidate's ability to work effectively in a diverse community college environment. Criteria for evaluating and weighting work examples, such as writing samples, role play, or teaching demonstrations, will be established by the selection committee prior to interviewing the candidates.

8. Screen all applications to select candidates for interview. Establish an interview schedule that accommodates all committee members' schedules including the Equal Opportunity Representative.

9. Interview all selected candidates using only the questions previously agreed upon by the committee members. Follow-up questions may be used if they are based directly on a candidate's response to a question, if they are not leading, if they do not seek information outside of the scope of the established hiring criteria, if they do not impinge on the candidate's interview time, and if they are not in violation of equal opportunity guidelines. Refer to Appendix D-II for guidelines on follow-up questions.

10. Recommend no more than three candidates for selection to the College President or his/her designee. (In the event that the Selection Committee is recommending candidates for more than one position in a particular discipline, the committee will recommend no more than three names for each position to the College President or his/her designee.)

11. Fill out evaluation forms on all interviewees.

12. Maintain confidentiality of the interviews as well as evaluative comments made during the selection process. Such information may be shared only with members of the Search Committee and the College President or his/her designee. Confidentiality must be maintained permanently. Each member of the committee will receive and agree to abide by the statement of guiding principles as noted in Appendix A.

Selection criteria and interview questions must be approved by the Equal Opportunity Representative before the Selection Committee can access the applications. Selection criteria must be job related and are developed from the position description and the qualifications and requirements listed in the position announcement. Selection criteria help members to review each application objectively. The selection criteria must be listed on an appropriate selection form that
must be used by each member of the Committee. Each Committee member must participate in
the selection process.

After all applications have been reviewed by all committee members, the Selection Committee
will determine which applicants shall be invited for an interview based on the established criteria.
The Committee selects applicants to interview who will best meet the needs of the students, the
division, and the College. The committees will consider the special needs of the
division/department/program and the student population to be served in the selection of
candidates.
The Committee will determine the number of candidates they wish to interview based on the pool
of applicants and the apparent strengths and weaknesses of the candidates. Ideally, no fewer
than (3) three candidates will be invited for interview. Each committee member will name by
number the candidate or candidates he or she chooses. If more candidates are selected than the
number determined for interview, the committee would discuss until consensus is reached on the
highest three.

The Equal Opportunity Representative reviews the pool selected for interview to ensure that no
selection or selection criteria has adversely affected any monitored group. The Equal Opportunity
Representative may recommend that additional candidates be interviewed or that further
recruitment be initiated before proceeding.

Applications of those candidates who are not to be interviewed shall be filed in the Office of
Human Resources.

Interviews

Interviews are scheduled by the Human Resources Generalist. Each candidate must be provided
the same interview information and offered a choice of interview times whenever possible.

Each member of the Search Committee must be present for all interviews. If a member misses an
interview, that committee member is removed from the Search Committee.

Each member of the Committee documents the interview in a format agreed upon by the
Committee.

The Selection Committee will interview all candidates using the list of questions formulated by
the Committee. Appropriate job related “follow-up” questions that focus on the intent of the
question or appropriate information in the initial response may be included in the interview so long
as (1) they are based directly on the candidate’s response to a question, (2) do not seek
information outside of the scope of the established hiring criteria, (3) are not in violation of Equal
Employment Opportunity guidelines and (4) do not exceed or truncate the time allotted for the
interview. See Appendix D-II for guidelines on follow-up questions.

Each candidate will be asked the same questions, in the same way, for a fair and consistent basis
in decision-making.

After interviews are completed, members of the selection committee discuss and evaluate the
qualifications of the candidates including how candidates will meet the needs of a diverse student
population. Consensus will be achieved in the same way as during the individual assessment.
No discussion will occur until all candidates have been interviewed. If consensus is not possible,
the Chair may request a vote or a prioritization by each selection committee member. Each
selection committee member will have equal voting privileges. The committee chair will be
responsible for documentation if less than three candidates are forwarded to the next level.
The Search Committee recommends no more than three (3) candidates, unranked, to the College President or his/her designee for second-level interview. Selection of the successful candidate will not be made by the committee.

The Equal Opportunity Representative reviews the selected candidate(s) to determine whether any selection criteria or procedures used in the interview phase has had an adverse impact on any monitored group. If the Equal Opportunity Representative believes that adverse impact exists, he/she shall consult with the committee Chair, and the Vice Chancellor of Human Resources and Employee Relations or his/her designee to determine whether additional steps should be taken to ensure equal employment opportunity.

If, after the interviews, in consultation with the Vice Chancellor of Human Resources and Employee Relations or designee, the Search Committee is not satisfied with the interviewed candidates, the Committee may:

- Review the applicant pool to ensure that qualified applicants have not been overlooked;
- On those positions that are opened until filled, request to have any additional complete applications that have been submitted since the first review date forwarded for selection;
- Request that Human Resources contact applicants with incomplete applications to request the missing application materials; or
- Extend or re-open the search.

Immediately following the interviews, the Committee Chair returns all the selection and interview forms and all other non-finalist application materials to Human Resources.

**Selection**

The Committee Chair shall review with the College President or his or her designee the Committee’s recommendation of candidates using a summary signed by each Committee member

**Second-Level Interview Procedures.**

Second level interviews will be conducted on all finalists by the College President or his/her designee with the academic senate president or his/her designee acting in an advisory capacity. In the case of the District office, second level interviews will be conducted by the appropriate administrator.

Following second level interviews, the College President or appropriate administrator may elect one of the following:

1. Select one of the finalists.
2. Review the applicant pool to ensure that qualified applicants have not been overlooked;
3. Extend or reopen the search.

**Reference Checking**

Reference checks are made by the Office of Human Resources upon the recommendation of the selected candidates by the Committee, and must be completed before a recommendation of employment is made to the Board of Trustees.

Reference checks must be completed in accordance with the policies and principles of equal opportunity. Reference information must be held in strict confidence.
Final Selection and Eligibility List

The appropriate administrator will make the final decision on the candidates and notify the Human Resources Office to forward the selection to the Board of Trustees for approval. Those finalists not selected will be placed on an eligibility list that will be valid for 90 calendar days following the date a candidate is selected by the President or other appropriate district manager. In the event a vacancy occurs for the same position, the President or appropriate administrator will conduct second-level interviews from those individuals on the eligibility list.

The Human Resources Generalist will contact the successful candidate to make a provisional offer of employment, contingent upon passing reference checks and Board approval.

The Human Resources Generalist will conduct all reference checks.

Once the successful candidate has been hired and Board-approved, the unsuccessful candidates will be notified by letter that they were not selected.

During the lifetime of the selection committee, all applications for positions will be kept on file at a secure location at the hiring site and will be available to members of the committee for study.

APPENDIX D
FACULTY HIRING PROCEDURES
INTERVIEWS

D-1 – INTERVIEWS –
INTERVIEW PREPARATION

1. Prior to the interview, make sure that:

   a) Seating arrangements are as comfortable as possible.
   b) If water is made available to the candidates, the area is maintained.
   c) Any accommodations such as overhead or other equipment are available.
   d) All committee members are present.
   e) Questions have been assigned to specific members and that questions have been read aloud by the questioner to ensure smooth delivery.
   f) Committee members are reminded that questions must be asked the same way for all candidates.
   g) You have arranged appropriate waiting area for candidates. It may be awkward to have an exiting candidate "bumping into" the next interviewee.

2. Remember that the candidates are undoubtedly experiencing some stress associated with the process and many may have never experienced a formal interview of this type. Do what is fair and reasonable to make the candidate feel as comfortable as possible under the circumstances.

3. Remind committee members to remain attentive, avoid distracting behaviors, and to be conscious of their body language.

4. Avoid any personal conversation irrelevant to the interview, e.g. common acquaintances, what is happening at his/her institution.

5. Remind committee members that the College/District is "being interviewed" and evaluated by the candidate.

6. If the process appears to be dragging because of answers or follow-up questions which are too long, the Equal Opportunity Representative will gently remind the candidate and/or committee member of the time constraints.

7. Avoid any discussion of candidates until the designated discussion period.

8. Ultimately, the interview process and structure is designed to be fair to all candidates.

D-II – INTERVIEWS –
GENERAL INTERVIEW QUESTION GUIDELINES

1. Make sure that all questions are JOB RELATED.

2. Avoid questions which can be answered with simple "Yes or No" responses. Ask "why" and "how" questions. Remember: Follow-up questions are permitted. However, leading questions are not. Such questions tempt the candidate to slant answers to suit you. Your purpose in the interview is to obtain a clear and balanced picture of the candidate’s qualifications for the job without indicating the responses you hope to hear.
3. Question the purpose of the question. What is it that you need to know and what is the best question to ask to get the information? Will the question give you insight into the individual's ability to be an effective teacher, lab, technician, secretary--employee? Does it provide insight into the candidate's ability to meet the needs of a diverse student population?

4. Ask the appropriate number of questions for the time period allotted.

5. Keep follow-up questions job-related and in line with the time allotted to the entire interview. The following are suggested follow-up questions:

Acceptable Probes/Follow-up Questions

- Can you clarify that?
- What steps did you take?
- What action did you take?
- What happened after that?
- What did you say?
- How did she/he react?
- How did you handle that?
- What was your reaction?
- How did you feel about that?
- What was the outcome/result?
- Were you happy with that outcome/result?
- What do you wish you had done differently?
- What did you learn from that?
- How did you resolve that?
- Why did you decide to do that?
- What was the outcome of that?
- What was your logic?
- What was your reasoning?
- Where were you when this happened?
- What time was it?
- Who else was involved?
- Tell me more about your interaction with that person.
- What was your role?
- What obstacles did you face?
- What were you thinking at that point?
- Lead me through your decision process.
- How did you prepare for that?

NOTE: Use a follow-up only when you need additional job related information, need to clarify the information given by the candidate, or think the candidate misunderstood the question.

6. Practice reading the questions aloud to make sure that they make sense to the listener.

7. Discuss and agree upon the desirable points to be covered in the answer prior to conducting the interview process.
Candidates will be scheduled to report for their interview early, generally 10-15 minutes prior to their interview, during which time they will be given a list of the interview questions to be reviewed outside of the interview room.

Greet the candidate and escort him/her into the room.

Introduce the candidate to the committee and follow with committee introductions (either chair or self-introductions). Remember that handshaking may or may not be a comfortable exercise given the room layout or the candidate's cultural background. Conclusions about a candidate related to this ritual greeting should be avoided.

Ask the candidate to be seated.

Explain the format of the interview indicating:

- The maximum time allotted for questions/answers; reference (if so, they may not be removed from the room);
- That these are questions given to all candidates but that the candidate should feel free to elaborate if it would be helpful to the committee and that committee members may ask follow-up questions;
- That following (or prior to) the interview, the candidate will be asked to perform a teaching or other demonstration.

Following or prior to the interview, escort the candidate to the demonstration area, indicating the location of the available materials.

Indicate the maximum time allotted for the demonstration/exercise.

Following the demonstration/exercise, escort the candidate back to interview site.

Ask concluding questions, e.g. do you have anything to add or questions of us?

Upon conclusion:

- Thank the candidate for coming.
- Indicate the committee's time frame for making its recommendations to the next decision-maker in the process.
- Make sure that the candidate has not left his/her materials behind or inadvertently picked up the copy of the questions.
- Ask if the candidate needs directions or assistance to return to his/her vehicle.
HIRING PROCEDURES—PART-TIME FACULTY

The San Bernardino Community College District seeks a qualified and diverse administration, faculty, and staff dedicated to student success. The District is committed to an open and inclusive hiring process that seeks diversity and provides equal consideration and opportunities for all qualified candidates. The goal of every hiring process is to select the qualified candidate who best meets the needs of our students.

Part-time faculty is essential to the teaching and learning process at the District. It is critical to focus efforts toward the hiring of part-time faculty where equal employment opportunity is no less important an issue to consider. It is the goal of the District to maintain an adequate pool of qualified candidates in every discipline for part-time teaching positions.

Efforts aimed at recruiting and hiring part-time faculty must be similar to if not the same as that put forth when the opportunity arises to hire contract faculty. Part-time faculty is required to meet the same minimum qualifications as contract faculty or deemed equivalent or participate in an internship program as per Title 5 Sections 53500-53502.

Definition of Part-Time Faculty

Pursuant to Education Code Section 87482.5, (a) "Notwithstanding any other provision of law, any person who is employed to teach adult or community college classes for not more than 60 percent of the hours per week considered a full-time assignment for regular employees having comparable duties shall be classified as a temporary employee, and shall not become a contract employee under Section 87604. (b) Service as a substitute on a day-to-day basis by persons employed under this section shall not be used for purposes of calculating eligibility for contract or regular status".

Recruitment

In an effort to develop a well-qualified and diverse pool of potential part-time faculty, a year-round process for advertising and recruiting will be conducted and include announcements in the state chancellor's job registry. Applications for part-time employment will be accepted and maintained all year to reduce the necessity of advertisement to fill a vacancy at the last moment. Each division/department will identify subject areas for which additional part-time faculty may be needed. The division/department will forward a list of part-time teaching opportunities to Human Resources.

When no qualified pool exists, Human Resources will advertise for part-time faculty positions to provide equal employment opportunity to a wide range of qualified applicants. Human Resources will review the composition of part-time faculty pools to ensure that any failure to obtain broad representation is not due to discriminatory recruitment procedures.

Applicants who contact the division/department directly should be referred to Human Resources or to the website for application materials and urged to then contact Human Resources to complete the Hiring Process. All application materials are returned to Human Resources.

Position Announcement

Human Resources will publish a list of potential part-time positions as requested by the division/department.

Upon notification by the division/department, Human Resources will, in consultation with the division/department dean and discipline faculty develop the job announcement. All job announcements will include:

a. Sensitivity to, and understanding of, the diverse academic, socioeconomic, cultural, disability, and ethnic backgrounds of community college students; and

b. Minimum qualifications as established by the Statewide Academic Senate and adopted by
the Board of Governors of the California Community Colleges plus any additional qualifications established by the department/program in accordance with the San Bernardino Community College District administrative regulation on Minimum Qualifications, Equivalency, and Local Qualifications.

The days and hours of available assignments will be listed when known.

**Application/Selection Process**

a. All applicants must complete a District Part-Time Faculty application form, and submit a resume and transcripts. Unofficial transcripts are accepted for purposes of review.

b. Human Resources will maintain an annual pool of completed applications for review, when needed, and will forward all applications to the division/department on a regular basis. When there is a need at both colleges, copies of applications will be forwarded to each college. Human Resources will monitor the applicant pool by discipline on a quarterly basis to ensure that any failure to obtain projected representation for any monitored group (those groups identified in section 53004(b) of title 5 for which monitoring and reporting is required pursuant to section 53004(a) of Title 5) is not due to discriminatory recruitment procedures.

c. All persons interested in part time employment will be referred to Human Resources where a centralized discipline area file will be maintained. All interested persons will receive a timely response from Human Resources and instructions regarding documentation needed to remain in the part time pool. All applications will be forwarded to the division/department on a regular basis.

d. In the case where there are no qualified candidates in the pool, the division/department dean or designee may search outside of the pool.

e. The division/department dean or designee in consultation with the faculty chair of the department and, a full time faculty member from the appropriate or related discipline, will screen and review all applications giving full consideration to the special needs of the division/department/program and the student population to be served.

f. The dean and the faculty member(s) shall have received training in equal opportunity employment before beginning the hiring process. The division dean or designee and the faculty member(s) will interview the qualified applicants who meet the needs of the division/department/program and the needs of a diverse student population.

g. Each applicant interviewed must submit evidence of qualifications.

h. It is recommended that each applicant interviewed be required to demonstrate teaching, counseling, librarianship, or other job related skills. The demonstration should reflect the candidate’s ability to meet the needs of a varied student population, who will foster overall district effectiveness.

i. Candidates seeking equivalency will be forwarded to the college’s Equivalency Committee for action. Candidates who are deemed to possess equivalent qualifications will be included in the part-time faculty pool.

j. The Dean or designee will contact the candidates to offer employment and inform them of hiring procedures. Candidates selected for part-time faculty positions will be mailed a "Notification and Acceptance of Assignment" letter by the Human Resources Department.

k. Regular evaluation of part time faculty as per contract should guide the decision about whether to offer continued employment.

l. Candidates not immediately selected to teach, will be entered into a part-time faculty candidate pool maintained by Human Resources for use by each college. Applications remain on file for one (1) year.

m. At the end of one year, Human Resources will notify applicants offering them the opportunity to remain in the pool and to update their application.
EQUIVALENCY PROCEDURES

In no case shall a person who serves on the Selection Search Committee for a full-time faculty position or who is recommending equivalency for a part-time faculty position also serve on the Equivalency Committee. If a discipline expert is not available from the division/department/program, a discipline expert from the other college or from another college, university, or the community may be asked to serve on the committee. Equivalency granted by either college committee is acceptable throughout the District.

Criteria:

Granting equivalency to minimum qualifications is based on the same criteria, documentation, and committee deliberation for all faculty positions: full-time, part-time, leave replacement, and grant/special funded positions.

A. Equivalency where a masters degree is required

For disciplines normally requiring a master’s degree, equivalency may be granted on the basis of any of the following:

1. Completion of the master’s degree from an accredited institution in the discipline under a different name;
2. Completion of the course work and academic requirements (such as a thesis or practicum for the master’s degree from accredited institutions in the discipline without the award of the degree);

the discipline which would require knowledge of the discipline equal to the level required in
the minimum qualifications; and

experts in the discipline and/or evidenced by the production of tangible products (such as
published works or invited presentations to discipline related professional organizations)
that would require a depth and breadth of knowledge in the discipline comparable to the
degree level work.

B. Equivalency where a master’s degree is not required

For disciplines in which the master’s degree is not generally expected or available, the criteria

5. Each faculty intern shall serve under the direct supervision of a mentor who is legally qualified to teach the course or render the service that the faculty intern is providing. The mentor shall provide substantial, direct in-class supervision and evaluation of the intern’s teaching capabilities and is responsible for providing direct monitoring and systematic contact with the faculty intern.

Part Two
Process

Applicants

The position announcement will provide for the presentation of qualifications equivalent to the minimum qualifications.

Applicants who believe that they possess qualifications equivalent to the minimum qualifications for a position and wish to request that a determination of equivalency be made in a specific discipline must complete a District Request for Equivalency form and provide supporting documentation as appropriate. Applicants for both full time and part time positions are notified of the opportunity to apply for an equivalency at the time of application.

It is the applicant's responsibility to complete the form and provide documentation. Search committees will not seek additional documentation. Applicants who do not meet the minimum qualifications and who have not completed a Request for Equivalency will not be considered for employment.

• The Request for Equivalency and supporting documentation are submitted with the application form to Human Resources.

• The application and supporting documentation is forwarded to the Equivalency Committee for a determination.

• The Equivalency Committee reviews the equivalency request and returns the application and supporting documentation to Human Resources with a determination.

• Human Resources forwards the application and equivalency approval to the selection committee.

If an applicant is approved and subsequently hired to fill a position, the documents and experience that support the equivalency must be verified just as minimum qualifications for other new faculty are verified via transcripts and employment verification letters.

Current Employees Seeking a Transfer to Another Discipline:

Employees seeking an equivalency must complete a Request for Equivalency form and provide supporting documentation as appropriate. It is the employee's responsibility to complete the form, provide documentation, and forward the information to the Chair of the Equivalency Committee.
The Equivalency Committee reviews the equivalency request and notifies the employee and the appropriate administrator of its determination.

OTHER PROVISIONS

• Equivalency is granted on a District-wide basis.
• Equivalency is granted for a discipline and not for a specific course within a discipline.
• All deliberations of the Equivalency Committee and all records involved in the proceedings shall remain confidential.
• A determination of equivalency does not guarantee an interview, employment, or reassignment. The determination of equivalency establishes that the individual meets the minimum qualifications for the position and does not bestow rights to any position or process.
• The granting of an equivalency is on a case-by-case basis and does not establish precedent for future applicants.
• Equivalency shall not be granted on a "contingency" or "emergency" basis pending additional review or receipt of documentation for any reason.
• Teaching experience is not equivalent to experience in the discipline.
