BP 4100 Graduation Requirements for Degrees and Certificates

(Replaces current SBCCD BP 4100)

NOTE: The information in current SBCCD BP 4100 parallels the **legally required** language.

- **From current SBCCD BP 4100 titled Graduation Requirements for Degrees and Certificates**

The District grants the degrees of Associate in Arts and Associate in Science to those students who have completed the subject requirements for graduation and who have maintained a 2.0 grade point average in subjects attempted unless otherwise stipulated by the major. Students must also complete the general education residency and competency requirements set forth in Title 5 regulations.

Students may be awarded a Certificate of Achievement upon successful completion with a grade of C or higher of a minimum of 18 or more semester units or 27 or more quarter units of degree-applicable coursework designed as a pattern of learning experiences designed to develop certain capabilities that may be oriented to career or general education.

The Chancellor shall establish procedures to determine degree and certificate requirements that include appropriate involvement of the local curriculum committee. The procedures shall assure that graduation requirements are published in the college catalog(s) and included in other resources that are convenient for students.
