**SUBJECT:** Consideration of Approval to Accept CHC & SBVC Vision for Success Local Goal Setting for Second Reading

### **RECOMMENDATION**

It is recommended that the Board of Trustees accept CHC & SBVC Vision for Success Local Goal Setting for second reading. The Board approved first reading in April 11, 2019.

### **OVERVIEW**

In the 2017 Vision for Success, the California Community College Chancellor's Office and Board of Governors established ambitious systemwide goals for improved student outcomes. Now local colleges have an opportunity to articulate how they will contribute to reaching the systemwide goals for improvement.

### **ANALYSIS**

Like the Vision for Success, colleges have been asked to set ambitious goals and agendas to propel student achievement forward. These goals should guide the colleges for the next five years. If the goals are achieved more quickly, they can be recalibrated. Setting ambitious goals is a way of confirming to the college community and the community it serves that earnest efforts are underway to improve performance. The colleges have set 5-year goals, with a baseline year of 2016-17 and an ending year of 2021-22 using Student Success Metrics data. While there is no penalty if these goals are not met, the colleges are committed to meeting or exceeding these goals.

For equity targets, disproportionately impacted student groups were identified according to the Proportionality Index (PI) method. Equity goals did not have to be set for populations that show less than 10 in either the numerator or the denominator.
