Name of Nominee: Kristi Simonson

Nominee Department/Area: Web Developer

Please provide ALL of the following information about the person being nominated.

1. Outstanding service and contributions to the college community.

In this time of crisis, Kristi has dedicated herself to ensuring that our website is up-to-date well organized, and easy to navigate. She has remade, updated, and reorganized faster than anyone thought possible. During any semester, though, Kristi is ready and willing to satisfy requests to update and improve the web site, manage technical issues we might have, and share tips on how to use technology.

2. Outstanding support of student success.

Since the web site is a key factor in many student needs, it is clear that having a person in Kristi's position who cares how the design and information on the site impacts the students. And she does care. I've made suggestions and asked for support on issues that students have

brought to my attention. Kristi certainly takes time to figure out what works best for students.

3. Any additional criteria deemed significant

She is a dedicated mother and an amazing balloon-animalist.
